

Priority: Redevelopment of the Ottawa Civic Hospital

For the best overview of the Ottawa Civic Hospital redevelopment, please go to <http://greaterotogether.ca>

The existing Civic campus was created 100 years ago as society was dealing with a pandemic. The redevelopment envisaged by the leaders of today who dream about health and wellness for all are entrusted with an enormous responsibility – a responsibility to ‘get it right’. The scale and complexity of this most ambitious project, is perhaps the largest of its kind in the history of Ottawa and one of the largest in Canada. The project which will be some ten years in the making will require focus, tenacity, creativity, risk mitigation, and innovative and nimble thought.

The Ottawa Hospital Mission, Vision and Values

The Ottawa Hospital **vision** is to provide each patient with the **world-class** care, exceptional service and compassion we would want for our loved ones.

The Ottawa Hospital **mission** is a compassionate provider of patient-centred care with an emphasis on tertiary-level and specialty care, primarily for residents of Eastern Ontario.

The Ottawa Hospital **educates** future health-care professionals in partnership with the University of Ottawa and other affiliated universities, community colleges and training organizations.

The Ottawa Hospital develops, shares and applies new knowledge and technology in the delivery of patient care through world-leading **research** programs in partnership with the Ottawa Hospital Research Institute (OHRI).

The Ottawa Hospital also plays an active role in **promoting and improving health** within our community. The Ottawa Hospital collaborates with a wide range of partners to address the needs of the community and to build a strong, integrated system for regional health-care delivery.

The Ottawa Hospital functions in English and French while striving to meet the needs of the **culturally diverse community** we serve.

Core values ----compassion, a commitment to quality, working together, respect for the individual.

The Ottawa Hospital (TOH) is one of Canada's largest learning and research hospitals, with over 1,100 beds, 1200 staff members, and an annual budget of \$1.2 Billion.

Our focus on learning and research helps develop new and innovative ways to treat patients and improve care. As a multi-campus hospital affiliated with the University of Ottawa, TOH delivers specialized care to Eastern Ontario, however the techniques and research discoveries are adopted around the world. The TOH engages the community at all levels to support its vision.

The TOH strategy includes:

- Quality-be in the top 10% for quality and safety of patient care in North America
- People-be the workplace of choice
- Academics - be a leader in education and research--a premier health sciences centre.
- Community - create a healthier community
- Finance - create the financial strength and flexibility to enable world-class care.
