

Dear Community Partners and Local Businesses,

Planning is officially underway for the **2027 Curry County Fair**, and we are excited to begin reaching out to local businesses, organizations, and community members who may be interested in being part of this annual tradition!

The Curry County Fair brings our community together while welcoming visitors from throughout the region for four days of entertainment, livestock exhibits, carnival rides, food, shopping, and family-friendly activities.

Our goal is to continue growing and improving the Fair each year while maintaining an affordable and enjoyable experience for families. We recognize that much of the Fair's success is made possible through the generosity, involvement, and continued support of our local businesses and community partners.

As we begin planning for 2027, we are seeking individuals and businesses interested in the following opportunities:

- **Sponsorships:** Promote your business while directly supporting entertainment, attractions, and activities that help make the Fair possible.
- **Entertainment & Attractions:** Partner with us to bring new and exciting experiences to the Fair, helping us expand what we can offer our community and visitors.

Whether you have supported the Curry County Fair for years or are considering getting involved for the first time, we would love the opportunity to work with you!

For additional information about available opportunities or how to participate, please contact the Curry County Fairgrounds Office at 541-373-1328.

Thank you for your continued support of the Curry County Fair. With the help of our community partners, we look forward to making the 2027 Curry County Fair another successful and memorable event!

Sincerely,

Natasha

Fairgrounds & Event Center Manager
