Disciplinary Action Agreement

If a serious problem or conflict occurs with a child in the center, the parent/guardian will be called to pick up the child immediately. Following a conference between the parent/guardian and the director/owner, the child will be allowed to return to Firefly. If a second serious offense occurs, the parent/guardian will be called to pick up the child and the child will be suspended for three (3) days. A third serious offense will result in the child being dismissed from the school. If the circumstances are such that the safety and/or welfare of children or staff members are jeopardized, the Director shall have the authority to immediately dismiss a child without the suspension process. If a child willfully or intentionally damages any school property, the child and his/her parent will be required to pay repair or replacement costs.
