#### ORDINANCE NO.

# AN ORDINANCE ESTABLISHING PLANNED UNIT DEVELOPMENT DISTRICTS

#### The Brooks at Vale Park

AN ORDINANCE of the City of Valparaiso, Indiana amending portions of Official Zoning Map and establishing a Planned Unit Development pursuant to the Unified Development Ordinance for the City of Valparaiso, Indiana.

WHEREAS, Article 15, Division 15.500 of the Unified Development Ordinance entitled "Procedures and Administration for Planned Unit Development Approval" permits the establishment in the City of Valparaiso of planned unit developments ("PUDs"), in which an area of land is developed as a single scheme which combines a mixture of uses, including mix style residential homes and regional storm water basins, and which may not correspond to the development standards otherwise required for such uses by other provisions of the zoning and planning ordinances of the City of Valparaiso; and

WHEREAS, Article 15, Division 15.500 of the Unified Development Ordinance authorizes the Common Council of the City of Valparaiso, by ordinance, to establish PUD Districts and to specify the uses and development requirements that apply in such PUD District; and

WHEREAS, an application for approval of The Brooks at Vale Park PUD District has been filed by VJW Limited, LLC (hereinafter sometimes referred to as "Developer") and considered by the Valparaiso Plan Commission and the Common Council for the City of Valparaiso, and all of the notice, public hearing and other procedural requirements of the Indiana Code and the Unified Development Ordinance for the City of Valparaiso for the consideration of the application and the establishment of the PUD District have been fulfilled; and

WHEREAS, in preparing and considering proposals under the Ind. Code 36-7-4-600 et seq., the Plan Commission and the legislative body shall pay reasonable regard to (1) the comprehensive plan; (2) current conditions and the character of current structures and uses in each district; (3) the most desirable use for which the land in each district is adapted; (4) the conservation of property values throughout the jurisdiction; and, (5) responsible development and growth; and

WHEREAS, the Developer has incorporated into the project improvements and infrasture which will result in additional storm water improvements benefitting the management of the City's stormwater sewer distribution systems throughout the City of Valparaiso, completion of the Vale Park Road connection, and other public and private recreational amenities within the community; and

WHEREAS, the Advisory Plan Commission has sent a favorable recommendation relating to such Application to the Valparaise Common Council dated the \_\_\_\_ day of \_\_\_\_\_, 2019; and

NOW, THEREFORE, BE IT, AND IT HEREBY IS, ordained by the Common Council of the City of Valparaiso, Indiana, under authority granted by Ind. Code 36-7-4-600 et seq. and Ind. Code 36-7-4-1500 et seq. and Article 15, Division 15.500 of the Unified Development Ordinance entitled "Procedures and Administration for Planned Unit Development Approval" that The Brooks at Vale Park PUD District is established as an amendment to the Unified Development Ordinance, pursuant to and subject to the terms, conditions, stipulations and requirements of this Ordinance.

Legislative Intent. Having given reasonable regard the Comprehensive Plan and the other matters specified in Article 15, Division 15.500 of the Unified Development Ordinance, the intent of the Common Council in adopting this Ordinance is (i) to determine that the plan community being proposed which combines single-family and multifamily residences adjacent to and around the extension of Vale Park Road through the Property (defined herein) is a good land use believed to be in the best interest of the City of Valparaiso; (ii) to encourage the use of innovative and unique land development techniques in the design of the District; (iii) to insure that the increased flexibility and design regulations over the land development authorized herein are carried out under administrative standards and procedures in a matter consistent with the goals and policies of the City of Valparaiso; and (iv) define that this Ordinance and the project proposed to be developed here under satisfies all Indiana statutes and the Valparaiso ordinances relating to planned unit developments. Developer shall have the right to seek joinder of additional parcels of land contiguous to the District as part of the District, which such joinder shall occur only upon the approval by the Common Council on such terms and conditions as the Common Council may establish following the written application by Developer and review and recommendation of the Valparaiso Plan Commission.

### Section 2. Applicability of The Brooks at Vale Park PUD Ordinance.

Section 2.1. Official Zoning Map. The Official Zoning Map, a part of the Unified Development Ordinance, is hereby amended to designate the Property as a Planned Unit Development District ("PUD") known as The Brooks at Vale Park Planned Unit Development District.

Section 2.2. Controlling Ordinance. Development of the Property shall be governed entirely by the provisions of this The Brooks at Vale Park PUD Ordinance except to the extent reference is made to the Unified Development Ordinance. When there is reference to the Unified Development Ordinance in this The Brooks at Vale Park PUD Ordinance, then only the provisions of the Unified Development Ordinance so referenced, as are in effect under the Unified Development Ordinance (as defined in Section 3.2 as the UDO exists on the date of this PUD Ordinance, not including any subsequent amendment or revision) shall be applicable to the Property. After the enactment of this The Brooks at Vale Park PUD Ordinance, development of the Property shall not be governed, in whole

or in part, by any future overlay district regulations that may include any part of the Property.

Section 2.3. Platting Exception. This The Brooks at Vale Park PUD Ordinance shall control whether or not any land within a District shall be required to be platted and under what circumstances the approval of subdivision plats are required. The approval of subdivision plats, when required by this The Brooks at Vale Park PUD Ordinance, shall be in compliance with the provisions of this The Brooks at Vale Park PUD Ordinance. The Districts shall be platted pursuant to the provisions of the Subdivision Regulations, except the Multi-Family Residential District is not required to be platted. Condominium development shall be governed by Indiana Code Section 32-25. Land not required by this The Brooks at Vale Park PUD Ordinance to be approved as a subdivision plat may be subdivided through the recording of a metes and bounds legal description; however, at the option and discretion of the owner, such lands may nonetheless be platted, even though they are not required to be platted under this The Brooks at Vale Park PUD Ordinance.

Section 2.4 Storm Water Management. When designing and reviewing stormwater management systems within the property, rates and volumes of stormwater shall be computed using Bulletin 70 rainfall amounts and Huff distributions. Calculations shall be made using a commercially available TR-20 computer program such as Hydrographs which is incorporated into AutoCAD civil 3D. Methodologies published in technical manual TR 55 shall be used.

The Regional Stormwater Management District shall include retention and or detention basins for the storage and treatment of stormwater generated by the intended improvements throughout the property in all districts and subdistricts cumulatively and also off-site flows from upstream tributary areas.

The Regional Stormwater Management District shall be designed and constructed by Developer so as to provide appropriate developmental storage to achieve a nominal release rate of 0.5 CFS per acre and no less than sixty (60) acre-feet of excess storage capacity. Certain areas of the site shall be excluded from these requirements which are depicted on Sheet \_\_\_\_\_ of Exhibit C identifying exclusion areas.

Stormwater facilities shall be designed with a nominal bounce of up to ten feet (10°). Restoration of creeks wetlands and other hydrologically significant features of the site shall be considered as offsetting deleterious development impacts. Direct discharge of stormwater from the development into Beauty Creek and Candlewood Creek shall be offset by the storage of runoff from off-site areas. On-site required stormwater facilities shall be designed to manage both on-site runoff and runoff from off-site tributary areas and therefore shall be considered Regional Detention Facilities Recreational facilities such as trails adjacent to stormwater facilities shall be constructed above normal water levels but may be inundated during storm events. Basins being developed with native vegetation and accessible features such as trails boardwalks or piers shall not be fenced. The use of groundwater recharge facilities in areas were soils permit and detention is not feasible shall be allowed. As this project is intended to be a Low Impact Development with regard to

stormwater, numerous Best Management Practice facilities and methodologies shall be employed and appropriate credits towards stormwater requirements awarded. Unless otherwise stipulated, diversions of stormwater into storage facilities shall begin when runoff rates exceeding the one year, 24 hour storm event occur.

Section 2.5. Conflict. In the event of a conflict between this The Brooks at Vale Park PUD Ordinance and the Unified Development Ordinance or the Subdivision Regulations, the provisions of this The Brooks at Vale Park PUD Ordinance shall apply. Any conflict between the narrative terms of this The Brooks at Vale Park PUD Ordinance and Exhibit C, the Site Improvement Plans, the Site Improvement Plans shall govern and control.

### Section 3. Construction of Language; Definitions.

Section 3.1. Construction of Language. The language of this The Brooks at Vale Park PUD Ordinance shall be interpreted in accordance with the following regulations:

- a. The particular shall control the general.
- b. In the case of any difference of meaning or implication between the text of this The Brooks at Vale Park PUD Ordinance and any illustration or diagram, the text shall control.
- c. The word "shall" is always mandatory and not discretionary.
- d. The word "may" is permissive and at the discretion or option of the Developer.
- e. Words used in the present tense shall include the future; and words used in the singular number shall include the plural, and the plural the singular, unless the context clearly indicates the contrary.
- f. A "building" or "structure" includes any part thereof, unless otherwise specifically stated.
- g. The phrase "used for," includes "arranged for," "designed for," "intended for," "maintained for," or "occupied for."
- h. Unless the context clearly indicates the contrary, where a regulation involves two or more items, conditions, provisions, or events connected by the conjunction "and," "or," or "either...or," the conjunction shall be interpreted as follows:
  - 1) "And" indicates that all the connected items, conditions, provisions or events shall apply.
  - 2) "Or" indicates that the connected items, conditions, provisions, or events may apply singly or in any combination.
  - 3) "Either...or" indicates that all the connected items, conditions, provisions or events shall apply singly but not in combination.

Section 3.2. Definitions. Unless otherwise stated, the following words shall, for the purpose of this The Brooks at Vale Park PUD Ordinance, have the meaning herein indicated. Any word used in this The Brooks at Vale Park PUD Ordinance which is not defined herein and which is defined in of the Unified Development Ordinance shall, for purposes of this The Brooks at Vale Park PUD Ordinance, have the meaning ascribed to such word in the Unified Development Ordinance, unless the context otherwise requires.

- bb. "Interior Access Drive" shall mean access for vehicular movement to egress/ingress between interior access drives connecting two (2) or more projects or land parcels.
- cc. "Interior Access Driveway" shall mean a minor, private street providing access within the boundaries of a project beginning at the required setback line.
- dd. "Landscape Easement" shall mean an area that may be privately owned, but is reserved to provide open space and buffer yards.
- ee. "Lot" shall mean a discrete platted or un-platted piece, parcel, plot or tract of land designated by its owner to be used, developed or built upon as a unit under single ownership or control and occupied or intended for occupancy by a use permitted in The Brooks at Vale Park PUD Ordinance, including one (1) or more main buildings, accessory uses thereto and the required yards as provided for in The Brooks at Vale Park PUD Ordinance and may consist of:
  - a. A single Lot of Record; or
  - b. A portion of a Lot of Record; or
  - c. A combination of complete Lots of Record, or complete Lots of Record and portions of Lots of Record, or of portions of Lots of Record.

A lot may or may not coincide with a Lot of Record. For the purposes of this definition, the ownership of a lot is further defined to include:

- a. The person(s) who holds either fee simple title to the property or is a life tenant as disclosed in the records of the Auditor of Porter County, Indiana;
- b. A contract vendee;
- A long-term lessee (but only if the lease is recorded among the records of the Recorder of Porter County, Indiana, and has at least

twenty-five (25) years remaining before its expiration at the time of applying for a permit).

- ff. "Lot Coverage" shall mean the total ground area, within the lot or project, covered by the primary structures plus garages and carports and other accessory structures which are greater than eighteen (18) inches above grade level, excluding fences and walls not attached in any way to the roof.
- gg. "Lot of Record" shall mean a lot which is platted as a part of a subdivision or a lot or a parcel which is un-platted and described by metes and bounds, the description of which has been so recorded in the Office of the Recorder of Porter County, Indiana.
- hh. "Materials Alteration" shall mean any change to an approved plan of any type that involves the substitution of one material, species, element, etc., for another.
- ii. "Maximum Density" shall mean a unit of measurement which represents the maximum number of dwelling units permitted to be developed on a particular area of land.
- jj. "Vale Park Road" shall mean the public throughfare extending in a general east-west direction through the Property generally located as depicted on the Site Improvement Plans.
- kk. "Minor Alteration" shall mean any change to an approved plan of any type that involves the revision of less than ten percent (10%) of the plan's total area or approved materials.
- ll. "Multi-Family Residential District" shall mean that portion of the Property that is designated for multi-family residential development pursuant to this The Brooks at Vale Park PUD Ordinance.
- mm. "Open Space" shall mean areas that provide light and air and are designed for environmental, scenic, or recreational purposes. Cropland, forested areas, or pastureland qualifies as open space. Open space may include turf areas, decorative plantings, walkways, active and passive recreation areas, playgrounds, wooded areas, and wetlands. Open space may include conservation areas, buffer yards, green-space areas, lakes, ponds, water retention areas, water detention areas, natural environmental features, and landscape easements. Open space shall not include areas devoted to parking lots, Parking Areas (except for the parking area dedicated for the trailhead) or public or private streets or rights-of-way, except for that portion of any right-of-way devoted to a pedestrian pathway/walkway system. Except for Buffer Yards, open space shall be dedicated to the public and accepted, owned by a public or semi-public entity, owned by a controlling

Association, owned by the project owners, or be in a similar type of ownership control; for the benefit of the public, members of the Association or residents of the project.

- nn. "Owner" shall mean shall mean the record owner, whether one or more persons or entities, of the fee simple title to any Lot or parcel of real estate which is a part of the Property, including the Developer, and including contract sellers, but not including contract purchasers.
- oo. "Parent Tract" shall mean a tract of land described by metes and bounds, the description of which has been recorded in the Office of the Recorder of Porter County, Indiana, and describes a District, or a portion of a District.
- pp. "Parking Area" shall mean an area of paving other than an open exhibition or display area; not inclusive of interior access drives, driveways, interior access driveways and access drives; intended for the temporary storage of automobile vehicles, including parking spaces and the area of access for the parking spaces and the area of access for the egress/ingress of automotive vehicles to and from the actual parking space.
- qq. "Parking Space" shall mean a rectangular area permanently reserved for the temporary storage of one automobile, motorcycle or truck.
- rr. "Preliminary Development Plan" shall mean a specific plan for the development of a District, or a portion of a District, that is submitted for Plan Commission approval.
- ss. "Prior Zoning" shall mean the zoning classifications, as identified in and defined by the Zoning Ordinance and Zone Map, applicable to a discrete piece, parcel, plot or tract of land immediately prior to the enactment of this The Brooks at Vale Park PUD Ordinance.
- tt. "Private Street" shall mean a privately-held right-of-way, with the exception of alleys, open for the purposes of vehicular and pedestrian travel, which may also afford access to abutting property, whether referred to as a street, road or any other term commonly applied to a right-of-way for said purposes. A private street may be comprised of pavement, shoulders, gutters, curbs, sidewalks, parking space, and the like.
- uu. "Property" shall mean certain property located in the City of Valparaiso, Center Township, Porter County, Indiana, as described in Exhibit A attached hereto and incorporated herein.
- vv. "Public Street" shall mean a publicly dedicated, accepted and maintained right-of-way, with the exception of alleys, open to the general public for

the purposes of vehicular and pedestrian travel, which may also afford access to abutting property, whether referred to as a street, road or any other term commonly applied to a public right-of-way for said purposes. A public street may be comprised of pavement, shoulders, gutters, curbs, sidewalks, parking space, and the like.

- ww. "Rear Yard" shall mean a yard extending across the full width of the lot, unoccupied other than by steps, sidewalks, pathways, walkways, trails, terraces, interior access driveways, lampposts, and similar structures, the depth of which is the perpendicular distance between the rear lot line and the rear setback line.
- "Regional Storm Water Detention" shall mean that portion of the Property dedicated to storm water management for the homes, streets and improvements within The Brooks at Vale Park community as well as flow from off-site lands as designed or approved by the City of Valparaiso City Engineer.
- yy. "Secondary Development Plan" shall mean a specific plan for the development of a District(s), or a portion of a District, that is submitted for Plan Commission approval.
- zz. "Side Yard" shall mean a yard extending across the full length of the lot, unoccupied other than by steps, sidewalks, pathways, walkways, trails, terraces, interior access driveways, lampposts, and similar structures, the depth of which is the perpendicular distance between the side lot line and the side setback line.
- aaa. "Site Improvement Plans" shall mean all sheets and drawings of the conceptual and detailed plans and specifications for the Property prepared by Marbach-Palm Inc. dated Dcember 17, 2018 together with the drawings prepared by The Lannert Group, Inc. dated December 17, 2018 as follows:

### MARBACH-PALM INC.

Sheet 8 - Crescent Roadway Variations

all of which are attached hereto and shall be collectively known as Exhibit C.

- bbb. "Street" shall mean a right-of-way; either privately-held or publicly dedicated, accepted, and maintained; established for the purposes of vehicular and pedestrian travel, which may also afford access to abutting property, whether referred to as a street, road or any other term commonly applied to a right-of-way for said purposes. A street may be comprised of pavement, shoulders, gutters, curbs, sidewalks, parking space, and the like
- ccc. "Subdivision" shall mean the division of any parcel of land shown, as a unit as part of a unit, or as contiguous units, on the last preceding transfer of ownership thereof, into two (2) or more parcels or lots for the purpose, whether immediate or future, of transfer of ownership or building development; provided, however, the transfer or exchange of parcels between adjoining land owners shall not constitute a subdivision for purposes of this PUD Ordinance.
- ddd. "Subdivision Regulations" shall mean the Article 6 and Division 15.800 of the Unified Development Ordinance, as such existed on the date of this Ordinance.
- eee. "Substantial Alteration" shall mean any change to an approved plan of any type that involves the revision of ten percent (10%) or more of the plan's total area or approved materials.
- fff. "Zone Map" shall mean and refer to the official zone map corresponding to the Unified Development Ordinance.
- ggg. "Zoning Ordinance" or "UDO" or "Unified Development Ordinance" shall mean the Unified Development Ordinance of the City of Valparaiso, Indiana in existence on the date of this Ordinance, not including any subsequent amendment or revision.

### Section 4. General Requirements.

<u>Section 4.1. Property Development Standards.</u> Uses in all Districts shall comply exclusively with this PUD Ordinance.

- Section 4.2. Review and Approval of Development Plans. The approval process for Development Plan shall be governed by the Unified Development Ordinance and by this The Brooks at Vale Park PUD Ordinance.
- Section 4.3. Exception for Development Plan Requirements. Except as provided for herein and in the Unified Development Ordinance, the documents and information required to be submitted for the Preliminary Development Plan approval process and the Secondary Development Plan approval process shall generally comply with Article 15 of the Unified Development Ordinance. The Administrator or Plan Commission may waive any requirement for Development Plan approval required in the Unified Development Ordinance upon a determination that the intent of the review and requirements are otherwise satisfied.
- <u>Section 4.4.</u> Non-Conforming Uses. Uses in all Districts shall comply with Section 13.201 of the Unified Development Ordinance.
- Section 4.5. Site Permit. Development in all Districts shall comply with Section 15.202 of the Unified Development Ordinance.
- <u>Section 4.6.</u> Permits and Procedures. Development in all Districts shall be governed by Article 15 of the Unified Development Ordinance.
- Section 4.7. Administration and Enforcement. Development in all Districts shall be governed by Division 17.200 of the Unified Development Ordinance.
- Section 4.8. Minimum Open Space. The minimum total aggregate Open Space shall be \_\_\_\_\_\_ percent (\_\_\_%) of the Property. Open Space areas shall be designated during the Preliminary Development Plan approval process and approved during the Secondary Development Plan approval process.
  - a. No development shall be permitted in the Open Space as identified on the Development Plan. Wetlands have been delineated and no development will occur in the regulated areas or requirement of site specific individual permits from the US Army Corps of Engineers or any other federal, state or local agency, body or group. The significant environmentally sensitive features or areas within the District have been protected.
  - b. Open Space shall be used for social, recreational, rain water harvesting, storm water management and/or environmental preservation purposes. The use authorized must be appropriate to the character of the Open Space, including its topography, size, and vegetation.
  - c. Open Space containing existing attractive or unique natural features, such as streams, creeks, ponds, woodlands, specimen trees, and other areas of mature vegetation worthy of preservation shall be developed as regional

storm water and in a natural state. Developer may make improvements such as the cutting of trails for walking or jogging, the provision of picnic areas, removal of dead or diseased trees, thinning of trees or other vegetation to encourage more desirable growth, and grading and seeding.

d. Open Space may be used for public and semi-public recreation, social and educational purposes.

Section 4.9. Multiple Building Tracts. No requirement within The Brooks at Vale Park PUD Ordinance, the Unified Development Ordinance, or the Subdivision Regulations shall preclude the construction of more than one primary structure on any parcel of land within the Property.

Section 4.10. Water, Sewer and Utilities Facilities. No construction shall be permitted in any District that relies on well water for potable water and a private septic system for sewage disposal. Sanitary sewer collection systems may employ the E/One small diameter pressure system or traditional gravity systems or a combination of both. Water, natural gas, sewer and utilities facilities may be located within buffer yards. landscape easements, sidewalk or pathway/walkway system easements and other similar required landscape yards or reserved areas. All new utility facilities, including sanitary sewer, water, telephone, cable and electrical systems, but excluding high voltage electrical transmission lines which are impracticable to be underground (as determined by the applicable service provider and approved by the City Engineer), constructed within the Property after the effective date of The Brooks at Vale Park PUD Ordinance are required to be underground. This includes distribution as well as transmission systems. Appurtenances to these systems that can be screened may be excepted from this requirement if the Administrator determines that such exemption will not violate the intent or character of The Brooks at Vale Park PUD District.

Section 4.11. Districts, and Default Zoning Districts. The Districts established herein shall be generally located on the District Land Use Map attached hereto and incorporated herein as Exhibit "B" and set forth throughout the Site Improvement Plans. The size of these Districts may increase or decrease a maximum of 10% during the Preliminary Development Plan and Secondary Development Plan approval process. However, in no event shall the Maximum Density for the Single Family Residential District or the Multi-Family Residential District dwelling units exceed the amount established by Section 6.1 and 7.1, respectively herein. To the extent this The Brooks at Vale Park PUD Ordinance does not specifically control or does not vary or exclude a standard or requirement set forth in the corresponding default zoning district indicated below, the Districts shall default to the standards of the below indicated zoning district and the omitted standard and/or requirement in the default zoning district shall control. The default zoning district, which is contained in the Unified Development Ordinance, and which corresponds to each particular District, shall be as follows:

	, Malatana, ang Parana, Nasara, ang mananan na Panganan ng Pananan na Panganang Langgan na Panganang. Naggan na mananan na m
	Default Zoning
Use Area Within A District	
	District Within UDO
Regional Storm Water Management District	PS District
Single-Family Residential Distrct	GR District
Multi-Family Residential District	UR District

### Section 4.12. Required Bufferyards.

- a. <u>General</u>. No Bufferyards are required between the Districts. Bufferyards are required along Vale Park Road, Ransom Road and the perimeter of the Property on the East, West and South property lines.
- b. <u>Requirements</u>. Bufferyard details are specifically set forth on the Site Improvement Plans, therefore, no general requirements for Bufferyards are set forth in this section.
- c. <u>Bufferyard Classifications</u>. Bufferyards are described by classifications, from less opaque ("Class A") to more opaque ("Class C"). For the purposes of this Ordinance, each successive classification is one "level" more opaque than the previous classification, that is, a Class C bufferyard is one level more opaque than a Class B bufferyard. The width and composition of bufferyards shall be as set out in Table 4.12C, Bufferyard Classifications. Bufferyards adjacenting cluster homes within the SFRD shall be Class B Bufferyard. All other Bufferyards shall be Class A.

			te 4.12C Classifications	:
Classification (% opacity)	Width	Large trees	Small trees	Shrubs
Class A (10%)	10 ft.	1 / 100 linear ft.	2 / 100 linear ft.	17 / 100 linear ft.
Class B (25%)	15 ft.	2 / 100 linear ft.	4 / 100 linear ft.	34 / 100 linear ft.
Class C (50%)	25 ft.	5 / 200 linear ft.	5 / 100 linear ft.	45 / 100 linear ft.

d. <u>District Bufferyard Standards</u>. There shall be no Bufferyards required between Lot lines within the interior of the Single-Family Residential District or the Multi-Family Residential District.

### e. Existing Trees and Plant Material.

- 1. <u>Use of Existing Trees</u>. Developer may document the existing plant material that is within twenty-five feet (25') of the property line with ground-level and aerial photographs. Such existing material, if in good condition, may be counted towards the landscaping that is required of the adjoining property.
- 2. <u>Bufferyards Shall be Provided on Site</u>. In no case shall any plant material from the adjoining property count towards the requirements for the applicant's site.

### f. Street Bufferyard Standards.

1. General. The bufferyard standards in Table 4.12F, Bufferyard Requirements for Roads, address the classification of the bufferyard that is required along Vale Park Road only (for classifications, see Table 4.12C, Bufferyard Classifications). Ransom Road will not be improved and only a dedication of right-of-way shall be provided. The standards are in addition to the street tree requirements in Section 4.12g below.

Table 4.12F		
Bufferyard Requirements for Roads		
Zoning of Proposed Development	Adjoining Road Vale Park Road	
All Districts	A	

- 2. <u>Reduction in Required Bufferyard</u>. The Administrator may approve a reduction in street bufferyard requirements based on consideration of the placement of other required landscaping such as street trees, parking lot landscaping, etc.
- g. Street Trees. The Site Improvement Plans depicts the number and general location of all street trees to be planted and located within parkways and medians of public and private rights-of-way. All street trees planted shall have single-stemmed trunks and be branched no lower than six (6) feet above ground level (for visibility purposes). No trees selected shall have a caliper less than two inches (2"). Street trees shall be installed prior to the first certificate of occupancy. The City may issue a temporary certificate of occupancy during winter months, and a final certificate of occupancy when weather permits.

### h. <u>Landscape Plan Approval</u>.

- 1. General. Landscape plans shall show the general location of landscaping cluster areas. All detailed landscaping plans with all plant material and providing tables indicating the planting of each type required by this The Brooks at Vale Park PUD Ordinance shall be provided with the Preliminary Development Plan (see Section 15 herein). After approval of Preliminary Development Plan landscaping, adjustments in the location of plants used may be required where the Administrator finds such alterations would better serve the purposes for which they are intended.
- 2. <u>Tree Survey</u>. No tree survey shall be required by Division 10.600 (Tree Protection) of the Unified Development Ordinance.
- 3. <u>Timing of Approval</u>. Landscape plans containing site features, bufferyards and required landscaping shall be submitted for approval by the City at the building permit stage.

### i. <u>Bufferyard Model</u>.

- 1. Generally. In the alternative to the bufferyards set out in this Section, an applicant may use a bufferyard model to establish a bufferyard with comparable opacity. The bufferyard model computes the opacity of bufferyards based on user-defined width; plant unit type; numbers of plant units per 100 linear feet of bufferyard; the presence of, and height of, berms; and the presence of, opacity of, location of, and height of fences and walls.
- 2. <u>Approval of Modeled Bufferyards</u>. Alternative bufferyards developed using this bufferyard model shall be approved by the City if it is demonstrated that:
  - a) Opacity. The opacity of proposed bufferyards that apply the bufferyard model shall be at least that which is required by this The Brooks at Vale Park PUD Ordinance.
  - b) Width.
    - a. The width of the proposed bufferyard shall be not less than 10 feet (10'), and shall be reduced by not more than 5 feet (5') from the narrowest bufferyard of the same or similar opacity, unless the site is constrained as defined in Section 4.12h, Constrained Sites.

- b. The bufferyard model must show that the proposed bufferyard width is adequate, or a registered landscape architect shall certify that the plants selected for the bufferyard will fit in the proposed space at maturity without compromising their health, longevity, or stability.
- c) Planting Requirements. The planting requirements of the bufferyard model are measured on a per 100 linear feet basis. Planting requirements for bufferyards shall be calculated as set out in Section 4.12, Bufferyard Classifications.
- j. <u>Use of Crescent Islands for Stormwater Treatment</u>. Wherever possible, crescent islands within the right-of way shown on the Site Improvement Plan shall be landscaped and designed to incorporate storm water runoff best management practices (BMPs), by incorporating vegetated swales, bio-infiltration, and other types of water quality measures.
- Section 5. Regional Storm Water Management District. Development within Regional Storm Water Management District shall provide for the excess storm water storage capacity provided in Section 2.4 herein and also be in accordance with the following:
  - Section 5.1 Ownership and Easements of Enjoyment. The parcels, Lots or tracts of real estate within the Regional Storm Water Management District shall be conveyed to the City which shall own, control and possess the District real estate, subject only to the terms of this Ordinance. Developer, and every Owner, residents of homes within the Property and their gusests shall have a right and easement of enjoyment in and to the amenities and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to Developer's right to condition enjoyment on the payment of certain assessments and compliance with reasonable rules and regulations governing the use and enjoyment of the amenities.

Section 5.2 Grounds Maintenance. City shall maintain or provide for the maintenance of all drainage improvements, which serve as part of the stormwater drainage system for The Brooks development on the Property, being the improvements and equipment installed therein or used in connection therewith, including, but not limited to pipes, structures, streams and basins located within District and any related easements to allow storm water to be detained upon and within the area within the District, either originally designed for lakes, ponds or basins, or as determined by the City for future expansion or enlargement of such features. Surrounding the lakes, ponds and basins with the District is certain real estate lying between these waterbodies and the boundaries of the platted Lots, tracts or parcels forming the Dirstrict within which there may exist from time to time certain amenities for the benefit of the owners, residents and their guests of the homes within the Property. These amenities may be walking paths, trails, benches, exercise

stations, and other amenities which may be installed or constructed by Developer or Owners or Owner's association of home owners from time to time.

Section 5.3. Regional Storm Water Management District Permitted Primary Uses. Uses permitted by right in the Regional Storm Water Management District shall include the following:

Open Space

Nature Areas

Community Active or Passive Recreation Areas (with exercise stations)

Walking Trails – Bicycle Trails (with educational and directional signage)

Storm Water Facilities, swales, basins, ponds

Rain Water Harvesting

Gardens, Impounded Wetlands, Stream Restoration

**Utility Facilities** 

Section 5.4 Sale or Transfer of Parcel. No parcel or tract within the Regional Storm Water Management District shall be sold or transferred after the approval of a Secondary Development Plan for the Parent Tract. However, the development of the parcel must still conform to the Secondary Development Plan for the Parent Tract as approved or amended by the Plan Commission, and the creation of a new property line within a Parent Tract shall not impose new development standards on the tract beyond those applicable to the Parent Tract.

<u>Section 6.</u> <u>Single-Family Residential District.</u> The Single-Family Residential District shall include two Subdistricts. The Cluster Home Subdistrict shall include seventy-five (75) homes located on Lots no less than 6,000 square feet in size. The Traditional Home Subdistrict shall include one hundred (100) Lots of no less than 15,000 square feet.

<u>Section 6.1</u> <u>Subdistricts.</u> Within the Single Family Residential District, there shall be two (2) Subdistricts which shall permit two (2) unique and different housing styles.

Cluster Homes Subdistrict. This subdistrict shall include no more than seventy-five (75) single family detached homes on lots no less than 6,000 square feet in size. The homes shall be a minium of 1,250 square feet to a maximum of 2,250 square feet in size. The front yard setback will be ten feet (10'). Each side yard shall be no less than five feet (5'). Lot coverage shall not exceed sixty percent (60%).

<u>Traditional Home Subdistrict</u>. This subdistrict shall include no more than one hundred (100) single family detached homes on lots no less than 12,000 square feet in size. The homes shall be a minium of 2,400 square feet in size. The front yard setback will be thirty feet (30'). Each side yard shall be no less than fifteen feet (15'). Lot coverage shall not exceed fifty percent (50%).

<u>Flex Area.</u> At the election of the Developer, in its sole disretion, may lay out and plat the area designated as "Flex Area" on Exhibit "D" attached hereto and incorporated herein with lots being no less than ten thousand (10,000) square feet in size.

<u>Section 6.2</u> Grounds Maintenance. The Declaration of Restrictive Covenants shall provide for the shared maintenance of the following between lot owners and the Association:

- a. Maintain the entire site in a safe, neat and clean condition; free from litter, trash, debris, junk and reasonably free of weeds;
- b. Maintain all private sidewalks, pedestrian ways, interior streets, interior access drives, street crescent landscaping, and parking areas in good repair and reasonably free of chuckholes, standing water, mud, ice and snow;
- c. Maintain the landscaping located within common areas by keeping turf grass mowed, all plants properly pruned and maintained as disease-free, and planting beds groomed, except in naturally occurring vegetation areas, such as thickets and wetlands; and
- d. Replace any required planting(s) located within common areas, which are removed or no longer living, except those in naturally occurring vegetation areas, such as thickets or wetlands.
- e. Prohibit the placement or maintenance of any landscaping or fencing within any legal drain easement, unless otherwise approved by the Porter County Surveyor or City Engineer.
- f. The amenities within the Regional Storm Water Management District areas described in §5 above.

<u>Section 6.3.</u> <u>Single-Family Residential District.</u> Uses permitted by right in the Single-Family Residential District portion of the Property shown on the Site Improvement Plans shall include the following:

a. <u>Cluster Home Subdistrict.</u>

Single-Family (detached) Single-Family Cluster Single-Family (attached) Multi-Family

## b. <u>Traditional Home Subdistrict.</u>

Single-Family

Section 6.4. Determination of Permitted Primary Uses. A proposed use that is either not listed or ambiguous shall be considered a functionally similar use to a permitted use if with regard to each of the decision criteria enumerated in subsection (ii), the proposed use has no greater impacts than the permitted use with which it is functionally similar. In case of uncertainty, the Administrator may refer the request for clarification or classification to the BZA for consideration in accordance with the provisions of this paragraph.

Section 6.5 Restrictive Covenants. The Single-Family Residential District shall be made subject to certain covenants, restrictions, conditions, reservations, easements, charges and liens to promote the orderly development of the District and to provide for the maintenance of designated Open Space or common areas within the District by the owner of each Lot or home, as the case may be, in a fair *pro rata* method of assessment.

Section 6.6 Style and Design Philosophy. The basic concept of Single Family Residential District within The Brooks at Vale Park is for each home design to conserve and enhance the natural beauty of each individual Lot and the natural beauty and prestige of entire Property. Structures shall be designed so as to capture the spirit and essence of The Brooks at Vale Park. Avant-garde or highly contemporary styles are strongly discouraged and may be rejected by the developer or community architectural review committee(s) established by private restrictive covenants. All reasonable attempts to satisfy the uniqueness of the proposed residence provided the proposed structure satisfies the design guidelines and the overall beauty of the community and the District in which it is located. The design standards are intended to neither promote nor discourage any one particular design style, but to promote appropriateness of design style whereby the community architectural review committee shall have the sole and absolute discretion to determine whether the proposed design will reflect the distinguished character of the community in which it is located.

## Section 7. Multi-Family Residential District.

Section 7.1. Multi-Family Residential District. The Multi-Family Residential District shall include two subdistricts. The Townhome subdistrict shall include seventy (70) homes located on parcels designated on the Preliminary Development Plan. The Multiplex Subdistrict shall include forty-five (45) units on parcels designated on the Preliminary Development Plan.

<u>Section 7.2</u> <u>Subdistricts.</u> Within the Mulit-Family Residential District, there shall be two (2) Subdistricts which shall permit two (2) unique and different housing styles.

Townhome Subdistrict. This subdistrict shall include	no more than seventy (70)
multi-family attached homes. The homes shall be a m	ninium of square feet
in size. Lot coverage shall not exceed perce	ent ( %).
<u> </u>	
Multiplex Subdistrict. This subdistrict shall include n	o more than forty-five (45)
multi-family attrached homes. The homes shall be a	minium of square feet
in size. Lot coverage shall not exceed percentage and percentage p	cent ( %).

Section 7.3 Multi-Family Residential District - Permitted Primary Uses. Uses permitted by right in the multi-family residential portion of the District as shown on the Development Plan shall include the following:

Single-Family, Attached Multifamily Residential Model Home Sales Office

<u>Section 7.4 Multi-Family Residential District - Miscellaneous.</u> The purpose of of this section is to establish the character, value, look, and style of the multi-family dwellings. Development within the Multi-Family Residential District shall be in accordance with the following:

- a. <u>General Requirements.</u> Any building, structure or use of land, when erected or enlarged, shall provide architectural elements within the following provisions of this Section. The Builder shall submit to the Developer for review and approval all proposed building elevations with all exterior materials specified. No Secondary Development Plan Approval request shall be accepted for filing prior to the plans being stamped "Approved" by Developer.
- b. <u>Architectural Design Standards</u>. All multi-family dwellings shall be in accordance with the following standards and specifications:
  - 1. Sixty percent (60%) of the first floor of all elevations, excluding windows, doors and similar appurtenances, shall be brick, stone or cultured stone. In no case shall concrete block be permitted as an exterior finish material.
  - 2. Rooftop equipment shall be fully screened on all sides using parapets, penthouse screens or other similar methods which are integrated into the overall building design.
  - 3. Chimney chases shall be enclosed.

- 4. The pitch of all roofs, exclusive of roofs on porches, bump outs, dormers, and other ancillary structures, shall be a minimum of 6/12 (6 vertical to 12 horizontal).
- 5. Sloped roofs shall extend with "overhangs" a minimum of nine (9) inches on all sides of the building.
- 6. Cement-Fiber board siding (Hardi-Board or similar product) may be used.
- 7. All elevation windows shall be treated by a decorative header, surround or similar appurtenance.
- 8. All utility panels shall be screened or located in an area not visible from a public street right-of-way.
- 9. In addition, each building may have at least two (2) of the items below:
  - Dormers
  - Reverse gable or hip roof
  - Decorative door surround, trim molding or header
  - Accent siding, decorative vents, or accents in gable peak or face
  - All front entry doors include sidelights or a transom
  - Shutters on all operable windows
  - Bay or "boxed-out" windows
  - A keystone or decorative brick or wood surround provided on one or more windows or doors on the front elevation
  - Decorative columns
  - Decorative trim molding at gutter height
- 10. Parking areas shall be planned to accomplish a desirable transition with the streetscape and to provide for adequate planting, safe pedestrian movement and connection to the pedestrian pathway/walkway system within the Property.
- 11. All trash collection facilities shall be screened in discrete but accessible areas.
- 12. Sloped roofs shall be clad with either standing-seam metal or architectural dimensional asphalt/fiberglass shingles.
- 13. Exterior lighting shall be part of the architectural concept. Fixtures, standards, and all exposed accessories shall be harmonious with building design. Exterior lighting shall be "Dark Sky" compliant.

- c. Impervious surface/lot coverage within the Multi-Family Residential District as shown on the Site Improvement Plans shall be allowed pursuant to the Preliminary Development Plan and Secondary Development Plan.
- d. Height of buildings within the Multi-Family Residential District shall allow thirty-seven feet (37') building height (as defined and determined in Division 3.200 of the Unified Development Ordinance).

Section 7.5 Parking. Within the Multi-Family Residential District, each home shall have a two (2) car garage. All other parking spaces shall be 9' X 20' except for handicap accessible spaces which will be per ADA standards. Any parking space overhanging a grass or landscaped area may be reduced no more than 2' for a size of 9' X 18'. Developer shall endeaver to provide for four (4) parking spaces for each home or unit in the Multi-Family Residential District (including garage and outside space), but in no event shall the Multi-Family Residential District have less than an average of 2.5 parking spaces per each home or unit.

## Section 7.6 Conditions and Stipulations for Multi-Family Residential District.

- a. <u>Limitation on Density</u>. The Multi-Family Residential District shall be developed with no more than homes or dwelling units type identified in Section 7.1 above.
- b. <u>Landscaping and Buffervard Standards</u>. The Multi-Family Residential District shall consist of the buffering, screening, street trees, on-lot landscaping, plantings and other general landscaping shown on the Site Improvement Plans.
- c. Scope of Proposal and Quality of Construction. The development of the residential community within the Multi-Family Residential District and each building within that District shall be constructed substantially consistent with Developer's proposal as to (1) the general type and style of the buildings, (2) higher roof pitch and general architecture limiting the number of garage doors visible from a single elevation view, (3) open spaces; and (4) amenities for the residents thereof.

Section 7.7 Restrictive Covenants. The Multi-Family Residential District shall be made subject to certain covenants, restrictions, conditions, reservations, easements, charges and liens to promote the orderly development of the District and to provide for the maintenance of designated Open Space or common areas within the District (including the amenities within the Regional Storm Water Management District areas described in §5) by the Owner of each Lot or home, as the case may be, in a fair *pro rata* method of assessment.

<u>Section 8. Permitted Temporary Uses.</u> The following temporary uses shall be permitted in all Districts:

- a. Temporary office, model home or unit, signs, or equipment storage, each incidental and necessary for the sale, rental, lease of, or construction of real property or premises in the District and located on the same lot or project.
- b. Temporary structures, including fences, walls, buildings, signs, barricades and similar temporary structures incidental and necessary to the development of land or the erection of structures, provided said temporary structures shall be removed at the termination of development or construction.
- Section 9. Conformity with Plans. The Brooks at Vale Park PUD District shall be developed in accordance with all sheets and drawings of the conceptual and detailed plans and specifications for the Property and defined herein as the Site Improvement Plans and attached hereto as Exhibit C and incorporated herein by reference. Any conflict between this PUD Ordinance and the Site Improvement Plans, the Site Improvement Plans shall control and be superior to the narrative PUD Ordinance.
- Section 10. Public Streets. Vale Park Road and all streets within the the Single Family Residential District shall be dedicated as public streets, and shall be laid out as shown on the Site Improvement Plans. Within the Multi-Family Residential District, all streets, parking areas and associated driveways shall remain private and not dedicated to the public.
  - Section 10.1. The street layout and type (including right-of-way and curbing) within the each District shall be as indicated on the Site Improvement Plans, adapted as appropriate to the topography, unique natural features and environmental constraints of the site. The street layout shall take into consideration the location of the community areas, Open Space areas and recreational areas. Streets shown on the Preliminary Development Plan may be eliminated or relocated as part of an approved Secondary Development Plan to consolidate blocks for development as long as there is no materially adverse impact on the flow of traffic within the District, no elimination of required Open Space, and no interference with the proper functioning of drainage easements.
  - Section 10.2. All public streets within the District are to be constructed to the standards of the City of Valparaiso as applicable at the time of construction, for depth and materials and thereafter dedicated for public use following inspection and acceptance by City of Valparaiso officials. Pavement width, curb type and standards, street trees and plantings shall be consistent with the Site Improvement Plans. No construction of building improvements on any lot may occur prior to approval of the Development Plan by the Plan Commission and issuance of all other required permits or approvals from any governmental authority.
  - Section 10.3. The street and road circulation within the District does not create any "T" intersections to existing public or private streets; therefore, no acceleration and deceleration lanes and tapers, or traditional entrance details and features shall be provided to the District.

## Section 11. Sidewalks and Pathways.

Section 11.1. Sidewalks will be no less than four feet (4') wide and constructed in accordance with ADA standards. Sidewalks shall be provided on at least one side of all streets in all Districts, unless otherwise shown on the Development Plan and except that if an Open Space abuts a street, a path in such Open Space may be substituted for a sidewalk.

Section 11.2. Paths for pedestrians and non-motorized vehicles shall be provided within the frontage along Vale Park Road, within the right-of-way of other streets or drives, and throughout the Districts as shown on the Site Improvement Plan. Paths shall vary throughout the community and are shown on the Site Improvement Plan. Paths shall be natural mown areas or surfaced, paved or improved with materials approved by the City Engineer.

<u>Section 12.</u> Streets. The street layout and type (including rights-of-way) shall be determined by the Plan Commission during the Preliminary Development Plan approval process and approved during the Secondary Development Plan approval process. The streets shall conform to the Site Improvement Plans.

All streets, except alleys or private drives, shall be dedicated to the public and accepted; provided, however, maintenance of all street types shall be as determined by the Plan Commission on the applicable Secondary Development Plan. All streets; including private streets and frontage roads shall be constructed, as a minimum, to the depth and materials standards of the City of Valparaiso.

Developer shall provide dedicated right-of-way for Ransom Road north of the Vale Park Road extension within the Property for potential future improvement and construction by the City or others. Developer shall not be obligated to construct the pavement surface or any associated road improvements regarding this future street.

Section 13. Streetscape. A streetscape program for each District in The Brooks at Vale Park PUD shall be submitted to, and approved by, the Plan Commission and shall be consistent with the intent of the cross-sections and details shown on Site Improvement Plans. Within all Districts all street trees shall be located behind the sidewalk and shall not be located between the sidewalk and the curb; and, the area between the curb and sidewalk shall be reserved for utility lines. The location of street trees and utility lines shall be denoted on the applicable Secondary Development Plan; provided, however, no tree shall be planted within five (5) feet of the back of curb, except within the center median of a public street. After approval by the Plan Commission, Minor Alterations to a District streetscape program may be submitted to, and shall be approved by, the Administrator. Any alteration which alters the concept or the intent of the original District streetscape program shall not be construed to be a Minor Alteration and shall be referred by the Administrator to the Plan Commission for review and approval.

## Section 14. Landscaping.

Section 14.1. Developer's Landscape Program. The Site Improvement Plans detail and show all landscaping required within the Single-Family Residential District and the Multi-Family Residential District. After approval by the Plan Commission, Minor Alterations to a Developer's landscape program may be submitted to, and shall be approved by, the Administrator. Any alteration which alters the concept or the intent of the original District landscape program shall not be construed to be a Minor Alteration and shall be referred by the Administrator to the Plan Commission for review and approval.

<u>Section 14.2. Regional Storm Water Management District.</u> There shall be no landscaping or bufferyard requirements within the Regional Storm Water Management District.

Section 14.3. Multi-Family Residential District Buildings. All landscaping for buildings and improvements within the Multi-Family Residential District shall be in accordance the Site Improvement Plans and the following standards and specifications:

### a. Screening.

1. There shall be no dumpsters and trash containers within the District.
All homeowners in all residential Districts and Subdistricts shall be provided with roll away waste receptacles.

## b. <u>Landscaping</u>.

1. All requirements for buffering (bufferyard requirements) screening, street trees, on-lot landscaping, plantings, or other general landscaping within the Multi-Family Residential District is shown and depicted on the Site Improvement Plans.

Section 15. Preliminary Development Plan Approval. A Preliminary Development Plan approval request for any District (or any part thereof) within the Property shall be made to the Plan Commission in accordance with the procedure established in this The Brooks at Vale Park PUD Ordinance, or as otherwise established by the Plan Commission. This plan review includes general landscaping, parking, drainage, erosion control, signage, lighting, educational and directional signs, boardwalks, piers, trailsscreening and building information for a site. Plan Commission approval of the Preliminary Development Plan for such District (or any part thereof) shall be provided upon a determination by the Plan Commission that (i) the Preliminary Development Plan is in accord with the Site Improvement Plans; and, (ii) the Preliminary Development Plan is otherwise in compliance with this The Brooks at Vale Park PUD Ordinance. Preliminary Development Plan approval and Secondary Development Plan approval may be sought simultaneously. If the Plan Commission determines that the Preliminary Development Plan is not in accord with the Site Improvement Plans or is not otherwise in compliance with this The Brooks at Vale Park PUD Ordinance and denies the application for approval, the Plan

Commission shall specifically detail in writing the basis for its belief that (i) the Preliminary Development Plan is not in accord with the Site Improvement Plans; or (ii) the Preliminary Development Plan is not otherwise in compliance with this The Brooks at Vale Park PUD Ordinance. An applicant who has been denied by the Plan Commission may immediately apply for approval of a new or amended Preliminary Development Plan. If the Plan Commission denies the Preliminary Development Plan, the Common Council may review and affirm, revise, modify or reverse that decision.

If the Common Council revise, modify or reverse the denial by the Plan Commission of a Preliminary Development Plan, the Preliminary Development Plan shall be approved as revised, modified or reversed. If the Common Council affirms the denial by the Plan Commission of a Preliminary Development Plan, the Common Council shall specifically detail in writing its basis for its belief that (i) the Preliminary Development Plan is not in accord with the Site Improvement Plans or (ii) the Preliminary Development Plan is not otherwise in compliance with this The Brooks at Vale Park PUD Ordinance. An applicant who has been denied by the Common Council may immediately reapply for approval of a new or amended Preliminary Development Plan.

Secondary Development Plan Approval. A Secondary Development Plan approval request for any District (or any part thereof) within the Property shall be made to the Plan Commission in accordance with the procedure established in this The Brooks at Vale Park PUD Ordinance, or as otherwise established by the Plan Commission. This plan review includes erosion control, signage, lighting, educational and final landscaping, parking, drainage, directional signs, boardwalks, piers, screening and building information for a site. Approval by the Plan Commission of the Secondary Development Plan for any District (or any part thereof) within the Property, including architectural design, lighting and landscaping, shall be necessary prior to the issuance of any building permit for a structure. Plan Commission approval of the Secondary Development Plan for such District (or any part thereof) shall be provided upon a determination by the Plan Commission that (i) the Secondary Development Plan is in substantial compliance with the approved Preliminary Development Plan; and, (ii) the Secondary Development Plan is in compliance with this The Brooks at Vale Park PUD Ordinance. If the Plan Commission determines that the Secondary Development Plan is not in substantial compliance with the approved Preliminary Development Plan or is not in compliance with this The Brooks at Vale Park PUD Ordinance and denies the application for approval, the Plan Commission shall specifically detail in writing the basis for its belief that (i) the Secondary Development Plan is not in substantial compliance with the approved Preliminary Development Plan or (ii) the Secondary Development Plan is not in compliance with this The Brooks at Vale Park PUD Ordinance. An applicant who has been denied by the Plan Commission may immediately apply for approval of a new or amended Secondary Development Plan. If the Plan Commission denies the Secondary Development Plan, the Common Council may review and affirm, revise, modify or reverse that decision.

If the Common Council revise, modify or reverse the denial by the Plan Commission of a Secondary Development Plan, the Secondary Development Plan shall be approved as revised, modified or reversed. If the Common Council affirm the denial by the Plan Commission of a Secondary Development Plan, the Common Council shall specifically detail in writing its basis for its belief that (i) the Secondary Development Plan is not in substantial compliance with

the Preliminary Development Plan or (ii) the Secondary Development Plan is not in compliance with this The Brooks at Vale Park PUD Ordinance. An applicant who has been denied by the Common Council may immediately reapply for approval of a new or amended Secondary Development Plan.

Section 17. Change in Development Standards or Approval of Alternate Plans. The Plan Commission, upon petition of a Developer at a public hearing conducted per the rules of the Plan Commission, may approve a development standard or an alternate plan that is not included in, or is different from, those set forth in this The Brooks at Vale Park PUD Ordinance or which is different than previously approved by the Plan Commission, so long as the Plan Commission determines that such addition or modification (i) would not substantially affect the integrity of the Site Improvement Plans for the Property, (ii) is appropriate for the site and its surrounding and (iii) is compatible and consistent with the intent of the stated standards or Site Improvement Plans; provided, however, that any change in any uses permitted within a District, or any Substantial Alteration in the location of any District, must be accomplished through an amendment to this The Brooks at Vale Park PUD Ordinance approved by the Common Council.

Section 18. Alterations. After conferring with the President of the Plan Commission, any Minor Alteration to an approved plan may be reviewed and approved by the Administrator. Minor Alterations are limited to approvals governed by Architectural Design Standards or Landscaping Standards unless otherwise designated by the Plan Commission. All Minor Alterations approved by the Administrator must be in compliance with the standards contained in this The Brooks at Vale Park PUD Ordinance. Any Substantial Alteration to an approved plan must be reviewed and approved by the Plan Commission. The denial by the Plan Commission of a Substantial Alteration may be appealed to the City's Common Council.

Section 19. Appeals. Appeals from the denial of a Development Plan by the Plan Commission shall be governed by Sections 20 and 21. An applicant whose request has been denied by the Administrator may appeal the decision of the Administrator to the Plan Commission. An applicant whose appeal of an Administrator's denial has been denied by the Plan Commission may appeal the decision of the Plan Commission to the City's Common Council. An Applicant who has been denied any approval may immediately appeal such decision as a zoning decision pursuant to IC 36-7-4-1600 et seq. without exhausting consideration by all or any other remaining administrative or legislative bodies.

Section 20. Fee Schedule. There shall be no additional filing fee for any subsequent amendments to this The Brooks at Vale Park PUD Ordinance. The filing fee for any Preliminary or Secondary Development Plan approval not involving a plat shall be the same fee as that required, at the time of filing, by the Plan Commission fee schedule for a Preliminary or Secondary Development Plan. The filing fee for any Preliminary or Secondary Development Plan approval involving a plat shall be the same fee as that required, at the time of filing, by the Plan Commission Fee Schedule for a Primary or Secondary Plat for a Major Subdivision.

Section 21. Park Impact Fees. The park and recreational amenities, dedication of land for storm water and recreational purposes, pathways and Open Space within the Property shall be

a full and complete credit in lieu of payment of fees required by the development of the Single Family Residential District and the Multi-Family Residential District and otherwise imposed by Ordinance 35-2010, the Park and Recreational Infrastructure Impact Fee Ordinance adopted December 13, 2010.

<u>Section 22. Development Schedule.</u> The tentative and preliminary schedule of development for when construction of the infrastructure and building improvements is likely to begin is as followings:

## Single-Family Residential District and Multi-Family Residential District

Phase 1 - \_\_\_\_\_\_\_, 20 \_\_\_\_\_ (or approximately ninety days following the issuance of all necessary permits and approvals). Phase 1 will include most all mass grading throughout the entire District, the improvement of all swales, ditches, ponds, basins and storm water facilities and features within the Storm Water Management District; and approximately \_\_\_\_ Lots in the Traditional Home Subdistrict of the Single Family Residential District.

Future phases and the timing of future development will be determined by the Developer as the market dictates. Nothing in this section shall create an obligation or duty of Developer to commence construction or maintain an agreed upon schedule, but this estimate is provided to inform the City of the Developer's expectations of needs for services from the City during the development and construction of the projects. This schedule is subject to changes and modifications of Developer's sole and absolute discretion.

- Section 23. Recordation. Before any improvement location permit or Site Permit can be issued for any improvement to be located in The Brooks at Vale Park PUD District, and/or before any construction or development of any kind can be commenced by The Brooks at Vale Park PUD District, the owner shall first record in the Office of the Recorder of Porter County the final secondary plat of subdivision for the real estate upon which development is proposed.
- Section 24. Other Ordinances. Any Ordinance or provision of any ordinance of the City of Valparaiso in conflict with the provision of any Ordinance is hereby superseded by this Ordinance. Subject to the foregoing, the passage and approval of this Ordinance shall not in any way except the owner of any land in The Brooks at Vale Park PUD District from compliance with the provisions of any and all other applicable ordinances of the City of Valparaiso, including without limitation, the Unified Development Ordinance not superseded by this Ordinance. Specifically, that certain Agreement for Written Commitments shall be superseded and made null and void in all respects by the adoption of this Ordinance.
- <u>Section 25.</u> Severability. The invalidity of any section, clause, sentence or provision of this Ordinance shall not affect the validity of any other part of this Ordinance which can be given effect without such invalid part or parts.

<u>Section 26.</u> <u>Effective Date.</u> This Ordinance shall be in full force and effect after its passage and approval by the Common Council for the City of Valparaiso and publication as may be required by law.

#### City of Valparaiso Façade Improvement Agreement

THIS AGREEMENT, entered into this 30 day of January, 2019, between the

City of Valparaiso, Indiana (hereinafter referred to as "CITY") and the following designated OWNER/LESSEE, to wit:

Owner/Lessee's Name: EVAN COSTAC

Name of Business: Brick Street Business

Tax ID#/Social Security # 27-348848/ 303-11-2920

Address of Property to be Improved:

3 Napolcon St.

Valpariso, // 46383

PIN Number: 64-09-29-311-020.000-004 / 01-000002122

#### WITNESSETH:

WHEREAS, the CITY has established a Façade Improvement Program for application within the Valparaiso Façade Improvement Business District ("District"); and

WHEREAS, said Façade Improvement Program is administered by the CITY with the advice of the Plan Commission and is funded from the general fund for the purposes of controlling and preventing blight and deterioration within the District; and

WHEREAS, pursuant to the Façade Improvement Program CITY has agreed to participate, subject to its sole discretion, 1) in reimbursing Owners/Lessees for the cost of eligible exterior improvements to commercial establishments within the District up to a maximum of one-half (1/2) of the approved contract cost of such improvements and 2) in

reimbursing Owners/Lessees for 100% of the cost of the services of an architect for such façade improvements up to a maximum of \$4,000 per building, as set forth herein, but in no event shall the total CITY participation exceed twenty five thousand dollars (\$25,000) per façade, as defined herein, for eligible improvements to the front and/or side of a building, and ten thousand (\$10,000) per building for eligible rear entrance improvements, with a maximum reimbursement amount of twenty five thousand dollars (\$25,000) per building; and

WHEREAS, in limited circumstances a building that is used in whole or part for commercial purpose and has a rear public entrance that is visible from a public street, public park or parking lot (public/private) maybe eligible to receive up to an additional \$25,000 in reimbursement for rear entrance improvements. The Planning Director has the sole discretion to determine if a property is eligible to receive up to an additional \$25,000 reimbursement for rear entrance improvements.

WHEREAS, the OWNER/LESSEE's property is located within the Façade Improvement

Business District, and the OWNER/LESSEE desires to participate in the Façade Improvement

Program pursuant to the terms and provisions of this agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements obtained herein, the CITY and the OWNER/LESSEE do hereby agree as follows:

#### SECTION 1:

A. With respect to façade improvements to the front and side of a building and related eligible improvements, the CITY shall reimburse OWNER/LESSEE for the cost of improvements to the OWNER/LESSEE'S property at the rate of fifty percent (50%) of such cost, and shall reimburse OWNER/LESSEE for 100% of the cost of fees for architectural services pertaining to such improvements, up to a maximum amount of

\$4,000 per building as defined herein, provided that the total reimbursement for improvements to the front and side of a building and related eligible improvements and architectural services shall not exceed twenty five thousand dollars (\$25,000) per façade as defined herein. As provided herein certain buildings that are used in whole or part for commercial purposes and have a rear public entrance that is visible from a public street, public park or parking lot (public/private) maybe eligible to receive up to an additional \$25,000 and reimbursement for rear entrance improvements.

B. With respect to improvements to rear entrance(s) of a building and related eligible improvements, the CITY shall reimburse OWNER/LESSEE for the cost of improvements to the OWNER/LESSEE's property at the rate of fifty percent (50%) of such cost, and shall reimburse OWNER/LESSEE for 100% of the cost of fees for architectural services pertaining to such improvements, up to a maximum amount of \$4,000 per building, provided that reimbursement for landscaping materials and installation shall not exceed \$1,000 per building, and provided that the total reimbursement for rear entrance and related eligible improvements and architectural services shall not exceed ten thousand dollars (\$10,000) per building.

The actual total reimbursement amounts per this Agreement shall not exceed \$25,000 for façade improvements to the front, side, and rear entrance(s) of a building and related eligible improvements. Total reimbursable expenses shall not exceed \$25,000. The improvement costs that are eligible for City reimbursement include all labor, materials, equipment and other contract items necessary for the proper execution and completion of the work as shown on the plans, design drawings, specifications and

estimates approved by the City. Such plans, design drawings, specifications and estimates are attached hereto as Exhibit I.

SECTION 2: No improvement work shall be undertaken until its design has been submitted to and approved by the City Council. Following approval, the OWNER/LESSEE shall contract for the work and shall commence and complete all such work and submit all requests for reimbursement to the Planning Director within six months from the date of such approval by the City Council. The OWNER/LESSEE may seek an extension of the deadline, not to exceed 12 months, for completing the work and submitting its request for reimbursement from the Planning Director, however, such request must be made in writing and submitted to the Planning Director prior to the expiration of the initial deadline to complete the work and submit the requests for reimbursement. In the event that the OWNER/LESSEE fails to comply with these requirements the CITY may terminate this Agreement and its obligation to reimburse the applicant.

SECTION 3: The Planning Director shall periodically review the progress of the contractor's work on the façade improvement pursuant to this Agreement. Such inspections shall not replace any required permit inspection by the Building Commissioner and Building Inspectors. All work which is not in conformance with the approved plans, design drawings and specifications shall be immediately remedied by the OWNER/LESSEE and deficient or improper work shall be replaced and made to comply with the approved plans, design drawings and specifications and the terms of this Agreement.

SECTION 4: Upon completion of the improvements and upon their final inspection and approval by the Planning Director, the OWNER/LESSEE shall submit to the CITY a properly executed and notarized contractor statement showing the full cost of the work as well as each separate component amount due to the contractor and each and every subcontractor involved in furnishing labor, materials or equipment in the work. In addition, the OWNER/LESSEE shall submit to the CITY proof of payment of the contract cost pursuant to the contractor's statement and final lien waivers from all contractors and subcontractors. The OWNER/LESSEE shall also submit to the CITY a copy of the architect's statement of fees for professional services for preparation of plans and specifications. The CITY shall, within fifteen (15) days of receipt of the contractor's statement, proof of payment and lien waivers, and the architect's statement, issue a check to the OWNER/LESSEE as reimbursement for one-half of the approved construction cost estimate or one-half of the actual construction cost, whichever is less, and for 100% of architectural services fee, subject to the limitations set forth in Section 1 hereof.

In the alternative, at its sole discretion, CITY may reimburse OWNER/LESSEE in two payments. The first reimbursement may be made only 1) upon completion of work representing 50% or more of the maximum reimbursement specified in Section 1 hereof and 2) upon receipt by CITY of the architect's invoices, contractor's statements, invoices, proof of payment and notarized final lien waivers for the completed work and 3) upon a determination by the Planning Director that the remainder of the work is expected to be delayed for thirty days or more following completion of the initial work due to weather, availability of materials, or other circumstances beyond the control of the

OWNER/LESSEE. The second, final reimbursement payment shall be made by CITY only upon submittal of all necessary documents as described herein.

SECTION 5: If the OWNER/LESSEE or his contractor fails to complete the improvement work provided for herein in conformity with the approved plans, design drawings and specifications and the terms of this Agreement, then upon written notice being given by the Planning Director to the OWNER/LESSEE, by certified mail to the address listed above, this Agreement shall terminate and the financial obligation on the part of the CITY shall cease and become null and void.

SECTION 6: Upon completion of the improvement work pursuant to this

Agreement and for a period of ten (10) years thereafter, the OWNER/LESSEE shall be
responsible for properly maintaining such improvements in finished form and without
change or alteration thereto, as provided in this Agreement, and for the said period of ten
(10) years following completion of the construction thereof, the OWNER/LESSEE shall
not enter into any Agreement or contract or take any other steps to alter, change or
remove such improvements, or the approved design thereof, nor shall OWNER/LESSEE
undertake any other changes, by contract or otherwise, to the improvements provided for
in this Agreement unless such changes are first submitted to the Planning Director, and
any additional review body designated by the Director, for approval. Such approval shall
not be unreasonably withheld if the proposed changes do not substantially alter the
original design concept of the improvements as specified in the plans, design drawings
and specifications approved pursuant to this Agreement. OWNER/LESSEE shall execute
and record a restrictive covenant, in a form substantially the same as Exhibit "IT" hereto,
at City's request.

SECTION 7: The OWNER/LESSEE releases the CTTY from, and covenants and agrees that the CITY shall not be liable for, and covenants and agrees to indemnify and hold harmless the CITY and its officials, officers, employees and agents from and against, any and all losses, claims, damages, liabilities or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from or in any way connected with directly or indirectly with the façade improvements(s), including but not limited to actions arising from the Indiana Common Construction Wage Act (Ind. Code § 5-16-7 et seq.) The OWNER/LESSEE further covenants and agrees to pay for or reimburse the CITY and its officials, officers, employees and agents for any and all costs, reasonable attorneys' fees, liabilities or expenses incurred in connection with investigating, defending against or otherwise in connection with any such losses, claims, damages, liabilities, or causes of action. The CITY shall have the right to select legal counsel and to approve any settlement in connection with such losses, claims, damages, liabilities, or causes of action. The provisions of this section shall survive the completion of said façade improvement(s).

SECTION 8: Nothing herein is intended to limit, restrict or prohibit the OWNER/LESSEE from undertaking any other work in or about the subject premises which is unrelated to the façade improvement provided for in this Agreement.

SECTION 9: This Agreement shall be binding upon the CITY and upon the OWNER/LESSEE and its successors, to said property for a period of five (5) years from and after the date of completion and approval of the façade improvement provided for herein. It shall be the responsibility of the OWNER/LESSEE to inform subsequent OWNER(s)/LESSEE(s) of the provisions of this Agreement.

SECTION 10: During the term of this Agreement During the term of this

Agreement and during the term of any subsequent contract with a subcontractor

performing work under this Agreement, OWNER/LESSEE shall maintain full

compliance with the requirements of Indiana's Employment Eligibility Verification as set

forth in Exhibit A to this Agreement

SECTION 11: OWNER/LESSEE shall be responsible for obtaining all necessary building permits and other approvals from the CITY prior to commencing work on the improvements. OWNER/LESSEE shall be further be responsible for complying with the applicable requirements of the Americans with Disabilities Act ("ADA") in constructing the improvements pursuant to this Agreement.

SECTION 12: As a condition precedent to participating in the CITY's Façade Improvement Program, OWNER/LESSEE may be responsible for conveying certain easement(s) and/or right-of-way to the City. In these circumstances, no OWNER/LESSEE shall be eligible for reimbursement by the CITY until such time as all easement(s) and/or rights-of-way have been conveyed to the CITY. In the event that this Section applies and the OWNER/LESSEE is requested to convey easement(s) and/or right-of-way to the CITY, documentation confirming such conveyance shall be set forth in Exhibit B to this Agreement.

IN WITNESS THEREOF, the parties hereto have executed this Agreement on the date first appearing above.

#### COMMERCIAL REAL ESTATE LEASE

THIS COMMERCIAL REAL ESTATE LEASE is made this 5th day of November, 2018, by and between Vass Development Corporation ("Landlord"), and Costas Restaurant Group, LLC, ("Tenant").

In consideration of the rent and covenants herein contained, Landlord leases to Tenant, and Tenant lets from Landlord the following described premises (the "Premises"), being real estate (including any improvements, rental units and ancillary facilities now or hereafter located on it) in Porter County, Indiana, or a part of such real estate, described as follows:

A stand alone commercial building located at 3 Napoleon Street, Valparaiso, with a total square footage of approximately 1,200 square feet (20' x 60').

Commonly known as 3 Napoleon Street, Valparaiso Indiana, 46383.

This Lease is made upon the following terms and conditions:

1. <u>Term and Options</u>. The term of this Lease shall begin on the 1sth day of January 2019, and shall end on the 31st day of December 2022 (the "Lease Term"). Landlord hereby grants to Tenant five (5) options to renew for three-year additional terms (so that if Tenant exercised all five options the lease term would be extended for fifteen years). To exercise each option, Landlord shall give written notice to Tenant six months prior to the end of the existing lease term.

# Rent and Manner of Payment.

(a) Tenant shall pay Landlord rent in the amounts set forth below, with the each monthly payment being due and payable on the 1<sup>st</sup> day of the month for which the rent is due. Subsequent installments shall be paid on the same day of each month thereafter during the Lease Term.

Months	Monthly Rent Payment		
Initial three year term (36)	\$1,000		
First renewal (36)	\$1,100		
Second renewal (36)	\$1,200		
Third renewal (36)	\$1,300		
Fourth renewal (36)	\$1,400		
Fifth renewal (36)	\$1,500		

(b) Rent abatement during buildout period. Tenant will undergo a complete renovation of the leased Premises which will require architect drawings and approval by local and state government offices. The leasehold improvement investment in the Premises by Tenant is estimated to be around \$150,000. Accordingly, Landlord agrees to a six-month full abatement of the rent to help Tenant facilitate this extensive buildout. This rent abatement period may begin on December

1, 2018 or January 1, 2018 depending on when the current Tenant vacates the premises. Upon completion of the six-month abatement period, Tenant will begin rent payments on either June 1<sup>st</sup> or July 1<sup>st</sup> depending on current Tenant vacation of the premises.

All sums payable to Landlord under this Lease shall be paid to Landlord at P.O. Box 345, Valparaiso, In 46384, or at such other address or other means as Landlord shall designate. All sums received by Landlord shall be applied first to rent due and unpaid, second to any late charges due and unpaid and finally to any other sums due hereunder.

- (c) Real Property Tax Allocation. Tenant agrees to pay one-ninth (11.1%) of the real property tax assessed on the Premises and attached building (Sarin building) annually. The attached Sarin apartments have eight units and are assessed along with the Premises as a single taxing unit. Each November, Landlord shall provide Tenant a copy of the tax bill and proof of payment of both the May and November tax bills. Within seven days of receipt, Tenant shall issue payment to Landlord for one-ninth (11.1%) of the entire tax assessment. The first payment will be due in November 2019 and shall continue annually for each year in which the Tenant shall remain a Tenant of Landlord under this lease and extensions thereof.
- (d) Tenant's failure to pay the full amount of any installment on or before the due date or any other amount due under this Lease shall be an event of default under this Lease, as hereinafter provided. In addition, if the full amount of any installment is not actually received by Landlord on or before the fifth (5th) day after it is due, then a late charge of \$100 shall accrue and be immediately due and payable. If rent due remains un paid for a period of more than 25 days, then this Lease may be terminated by the Landlord and the Tenant evicted.
- (e) Tenant will pay all personal property taxes assessed on the personal property in the Premises or used in Tenant's business.

# 3. <u>Use of Premises</u>.

- (a) Tenant will use the Premises only for the following purpose(s): operation of a fast casual restaurant. Tenant will not use, or permit the use of, the Premises for any unlawful purpose or in violation of any law, order or regulation of any governmental authority or any restrictive covenant relating to the use or occupancy of the Premises. If any use of the Premises increases insurance premiums, Tenant shall pay Landlord, upon demand, a sum equal to the increases in premiums.
- (b) Tenant agrees to comply with all applicable Federal, State and Local environmental laws and regulations, including those relating to air and water pollution control and prevention, and disposal of any and all hazardous waste or substances, and will to hold Landlord harmless from any liability under said laws and regulations, including attorney fees, which is not the result of Landlord's acts.
  - (c) Tenant shall not permit any waste or misuse of the Premises.

- (d) Tenant may not sublet the Premises to an entity not controlled by the Tenant or to any other person other than Jon and Evan Costas without the prior written consent of Landlord.
- 4. <u>Tenant Accepts Premises</u>. Tenant has inspected the Premises and is satisfied with its physical condition. Except as otherwise specified in this Lease, Tenant's taking possession of the Premises shall be conclusive evidence or receipt thereof in good order and repair; and Tenant acknowledges that neither Landlord nor any of Landlord's agents have made any representation as to the condition or state of repair of the Premises or made any agreements or promises to repair or improve it either before or after execution of this Lease.

#### 5. Repairs and maintenance.

(a) <u>Landlord's Obligation</u>. Landlord agrees, at Landlord's sole expense, to keep in good repair and working order, except to the extent damaged by Tenant's fault, the foundations and exterior walls of the Premises.

## (b) <u>Tenant's Obligations</u>. Tenant agrees:

- (i) to keep, at Tenant's expense, the Premises in a clean, safe, sightly, and healthful condition, including keeping the sidewalk in front of the premises clean and clear of snow and ice;
- (ii) to make, at Tenant's expense, all repairs (except such repairs as are Landlord's obligation) which are necessary to maintain the Premises in good repair and condition, including, but not limited to, the repair (but not full replacement) of all plumbing equipment, electrical system, HVAC system, roof, and appliances, and any other equipment and appliances on the Premises;
- (iii) to comply with all statutes and ordinances concerning the maintenance and repair of the Premises; and
- (iv) to surrender the Premises at the expiration of this Lease in as good repair and condition as existed at the date of execution of this Lease (after completion of any initial leasehold improvement by Tenant as permitted or required by this Lease), reasonable wear and tear excepted.
- (c) <u>Utilities</u>. Tenant will pay directly to the utility companies all charges for all utilities for the Premises, including, but not limited to, gas, electricity, water, and sewer during the Lease term.
- (d) <u>Landlord's Right to Perform Tenant's Obligations</u>. If Tenant fails to perform Tenant's obligations under this Lease, Landlord or Landlord's agents may, but is not obligated to, perform such obligations on behalf of and at the expense of Tenant. In addition to the rent hereby reserved, Tenant shall pay Landlord, immediately upon demand, the expenses which Landlord incurred in performing Tenant's obligations.

3

(e) <u>Landlord's Right to Enter Premises</u>. Landlord or Landlord's agents shall have the right to enter the Premises (without causing or constituting a termination of this Lease or an interference with Tenant's possession) at all reasonable times and with reasonable notice (typically 24 hours), for the purposes of showing the Premises to prospective buyers or tenants, examining its condition or use, and of performing Landlord's obligations and Tenant's obligations as provided in this Section.

#### Property Improvements.

- (a) Tenant may remodel and improve the premises with Landlord's prior consent, which consent may not be unreasonably withheld. Such improvements may include demolition and construction of interior walls, changes to HVAC, electrical and plumbing systems, installation of equipment and signage and improvements to the outside fascia, roof, and building frontage. Tenant shall obtain all necessary government approvals for such improvements and provide Landlord with proof of same prior to commencing.
- (b) Tenant shall the right to install a free-standing outdoor metal walk in cooler in a space directly behind the Premises and designated by the Landlord.
- (c) Should Landlord elect to give such consent, Tenant shall protect, indemnify and save Landlord harmless against (i) any lien for labor or material furnished, (ii) any claim which any subcontractor, lessor of equipment, journeyman or laborer may have under law against an owner of real property for services, material or machinery, or (iii) any liability for personal injury or damage to property associated in any way with any alteration or addition, all of which will include indemnification for attorney fees.
- (d) Landlord may also require Tenant to furnish security, insurance, or other assurance as Landlord may reasonably require to protect Landlord against the liens, claims, and liabilities described in this Section, and to assure that the work will be performed in a lawful and workmanlike manner and with proper materials.
- (e) Upon the termination of this Lease, or when Tenant abandons, quits or vacates, the Premises, whichever shall first occur, any alteration or addition made pursuant to this Section shall become Landlord's property and shall remain upon the Premises, all without compensation, allowance or credit to Tenant. However Tenant may remove any trade fixtures or equipment which Tenant has installed. It is understood that the hood ventilation system, water heater and any other fixtures currently affixed to the building are the property of the Landlord. Tenant shall repair any damage to the Premises caused by Tenant or Tenant's agents in removing any property therefrom.

#### Risk of Loss.

(a) Tenant shall bear the risk of loss arising from damage to or loss of Tenant's personal property and trade fixtures located on the Premises. Tenant shall bear the risk of loss arising from interruption of business use.

- (b) Tenant shall bear the risk of, and Tenant shall save Landlord harmless from loss, cost or expense by reason of claims for personal injury and property damage arising out of Tenant's occupancy of the Premises, whether due to the fault of Tenant or others, excepting only fault of Landlord. Tenant will maintain a public liability and property damage insurance policy naming Landlord as an additional insured, in the amount of \$200,000 for each person and \$1,000,000.00 for each occurrence of personal injury and \$200,000 for property damage to the Premises. Tenant will furnish a certificate of any such insurance coverage to Landlord upon demand.
- (c) Notwithstanding any provisions to the contrary in this Lease, if the Premises shall be destroyed or damaged by casualty to such an extent as will make the Premises unusable for more than seven (7) days for the purposes described herein, either party (excepting any party whose fault caused the casualty) has the right to terminate this Lease by giving notice of such termination to the other party within thirty (30) days after the date the casualty occurs. Termination of this Lease shall then be effective as of the date of such casualty. Rent shall be prorated to the date of termination.
- 8. <u>Condemnation</u>. If the whole of the Premises, or such portion thereof as will make the Premises unusable for the purposes as provided in this Lease, is condemned and sold for any public use or purpose by any legally constituted authority, this Lease shall terminate when possession is taken by such authority; and rent shall be prorated as of the date possession is so taken. Termination of this Lease under this Section shall not prejudice the rights of either Landlord or Tenant to recover compensation from the condemning authority for any loss or damage caused by such condemnation. Neither Landlord nor Tenant shall have any rights in or to any award made to the other by the condemning authority.
- 9. <u>Security Deposit</u>. Tenant shall pay, at the time this lease is executed, a security deposit of \$1,000. This will be returned within 30 days after Tenant vacates the building as long as Tenant is not in default under the Lease, gave 30 days prior notice of intention to vacate, and the Premises are returned in a clean, ready to rent condition.
- 10. <u>Quiet Possession</u>. So long as Tenant is not in default under this Lease, Tenant will be entitled to peaceably possess, hold and enjoy the Premises.
  - 11. General Provisions.
  - (a) Time is of the essence.
- (b) If either party is forced to bring legal action against the other in order to enforce the terms of this agreement, the prevailing party shall be entitle to recover all costs of such action including reasonable attorneys fees.
- (c) This Lease and its terms, covenants, agreements and provisions shall be binding upon, and inure to the benefit of, the parties and their respective heirs, personal representatives, successors and assigns.

- (d) Any change in, or modification or discharge of, this Lease shall be in writing signed by all persons who at the time are parties to this Lease.
- (e) This Lease constitutes the entire agreement among the parties and its terms shall be construed under the laws of the State of Indiana.

IN WITNESS WHEREOF, the parties have signed this on the date first above written.
