

Monthly newsletter

Hello everyone, Lucas here. As you all may know I have started taking care of the website and wow what a good reaction ive gotten from you all. Everyone here at St Stephens are super happy to see how much the website is being used. That said there is still a lot more for us to do. One thing we changed our minds about is this newsletter. Weekly might have been a bit too much. So from now on it will be a monthly update. This month will continue to be a part of the “get everything sorted” type of month so it might not be as much info as we want it to be. But right now things to think about are that whiskey night will be starting up again with today, the 15th of April being the first in a while. Come by, it's going to be a great time!
