NEW Carbon poles

Makefast USA are excited to announce that we are now manufacturing a comprehensive range of high quality Carbon Fiber poles at our Maryland facility.

The 3K finished poles are available in 1", 1 1/4", 1 1/2", 2" diameters in 72" fixed lengths.

All the poles are designed to use the high quality 316 Stainless Steel range of Makefast base fittings.

To complete the package contact Makefast USA for details on our Shade Sail kits including the Bases, Poles, and Canvas all supplied in an easy to stow storage bag.

We look forward to hearing from you!
