

## WORLDWIDE AFTER SALES & SERVICE

Find out more about the Makefast Marine worldwide After sales & Service support... Makefast Group are a truly global company, exporting to over 64 countries, and supplying some of the largest and most prestigious yacht manufacturers.

Our customer commitment extends beyond creating industry-leading Awnings, Sunroofs, and marine grade systems to providing world-class service with factory certified technicians.

Whether you are building a brand-new vessel or involved with an upgrade, refit, or pre-season maintenance, the Makefast Marine service team will always be there to assist.

Makefast Group has an established and ever-growing network of highly trained & competent service technicians located around the world. In addition, detailed technical documentation is available to assist marine engineers and service technicians. Including downloadable work instructions and service videos for all the Makefast marine systems.

Our service and technical documentation is intended for professional marine installer and technician use only and can only be accessed once you have contacted Makefast and obtained an access code.
