

**VALUES AND MISSION**

## OUR COMPANY VALUES

A community that is paving the way for individuals to flourish through quality performing arts training.

### QUALITY

Our knowledgeable and skilled team pride themselves on providing high quality dance tuition with a fresh and modern outlook on the dance industry.

### VALUED

We acknowledge that every student is individual and we celebrate what makes them unique. The safety and progression of each student is of paramount importance to us.

### COMMUNITY

We are an ever growing community of students and their families. Each member of the community is welcomed without judgement and the connection built between our dancers is for life.

## OUR CLASS VALUES

# PASSION

We want to help as many students as possible feel true enthusiasm and excitement for the arts. Every member of a team is highly passionate about their work and it is our pleasure to pass that on to the next generation.

# AMBITION

We are committed to helping our students reach their full potential, build their confidence and show them what is possible if they put their mind to it. This is a valuable skill which students can carry through to all walks of life.

# VERSATILITY

We strive to build resilient dancers with a growth mindset. It is important not only in the performing arts industry but throughout life, to be equipped with the skills to adapt to our ever changing world, and lead with an open mind.

# EXPRESSION

It's important to us to provide a platform for young people to express themselves in a way that is true to them. Whether it be through performing, rehearsing, socialising with their peers or communicating with their teachers.

## OUR MISSION

We founded P.A.V.E Dance to provide quality dance tuition in a nurturing environment, whilst providing opportunities for growth to young people in our community.

We are committed to taking our students on an individual journey from tiny tots to adulthood. Throughout each class we lead with passion and encourage our students to be ambitious within themselves. We offer a range of styles for students to delve into, meaning there is something for everyone.

It is important to us that every single student feels valued and safe whilst exploring their love for performing arts. All students who enrol with us become part of our dance family.
