THANK YOU for your interest in our annual Spring Festival! This is our 5th year and we appreciate your participation. Your \$50 fee includes a 10X10 space -- you must provide your own table/tent. If a food/beverage vendor, your space will be provided with free electricity (limited spots) & it will be larger + close to hook-up (location determined by Rec Center). This is an outdoor event subject to unpredictable weather conditions- no refunds on space due to weather or your cancellation. **Check-in and set-up starts at 7am-spaces are marked/map provided.** If you need to arrive earlier, contact us. We'd greatly appreciate it if you do not tear down prior to close at 4pm. Note: Your host is a political club but this is not a political event. However, since this is an election year, all candidates are invited to purchase vendor spots so visitors can get to know them to include an opportunity to speak on stage. A program/agenda will be provided upon arrival to all attendees.
