CURRENT AGE GROUPS FOR TROUPE

Troupe

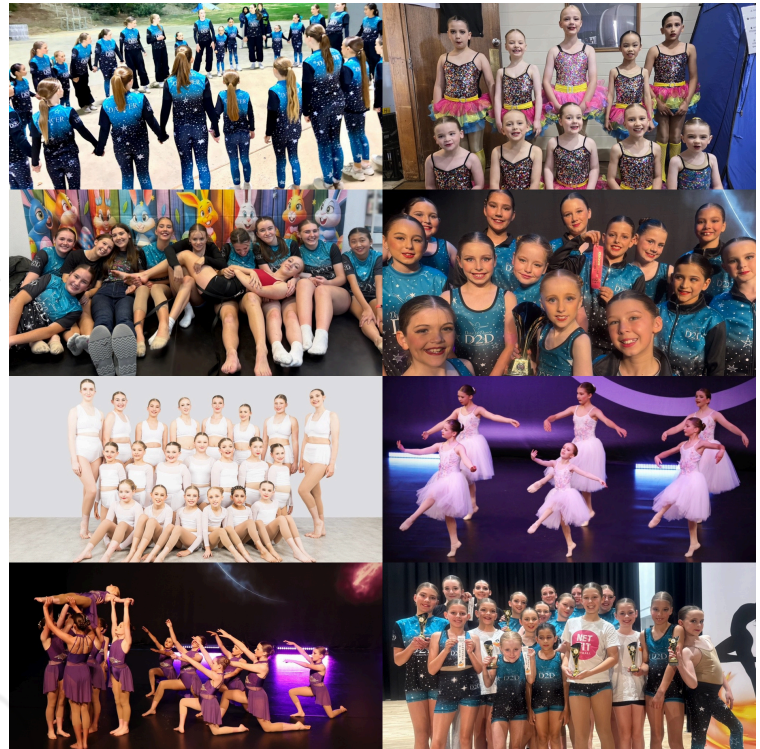

Our Performance Troupe teams allow children to showcase their hard work and dedication. It's not just about the spotlight however, it's a fantastic opportunity to build lasting friendships and create unforgettable memories.

We aim to do 4-5 troupe comps per year. Most in Canberra, otherwise we will travel to Yass or Goulburn. Maybe the Coast.

Each competition there will be a fee that I get charged to enter them and I split it between dancers. That will vary anywhere from \$80-150 per comp per child. Some competitions include free entry for parents some don't, so that's something else to think about.

Dancers do need to follow the hair and make up rules so they look uniformed. This may take some practice.

- Students need the Troupe Tracksuit which is leggings and jacket. \$125
- We will do random other performances throughout the year, like fetes, raiders, Canberra outlet centre.
- New troupe students join in term 4. We don't accept new ones after week 2 of term 1.
- I'll add parents to the WhatsApp chat group where I share videos, info and anything else.
- Students can't miss competitions (if possible). If they are vomiting etc than fair enough, but if they just have a cold I'll generally ask them to soldier on...
- Troupe student should NOT miss lessons in the lead up to competitions.
- If students miss too many lessons they will be choreographed out of sections of dances

Junior Troupe 5-9 years
