SMART ACCESS FOR A SAFER FUTURE

**VAY Access Control Systems:** Your One-Stop Solution for Smart Parking, Access Control, and Traffic Management Solutions. Specializing in innovative technologies like solar studs and LED lights, VAY is committed to becoming a leading supplier in these industries, ensuring efficiency and reliability in modern infrastructure management.

# VAY Access Control Systems

VAY Access Control Systems specializes in smart parking, access control, and traffic management solutions, including solar studs and LED lights. The company is dedicated to becoming a top supplier in these fields.

VAY Access Control Systems is the authorized partner in India for Foshan Hailian Cloud Control Technology Co., Ltd. ("Hailian"). Hailian, founded in 2019, is a global leader in smart parking and access control solutions. Through this partnership, VAY focuses on providing customized access control systems for India. These include parking management systems, guidance systems, barrier gates, sidewalk gates, and cloud platforms for centralized monitoring.

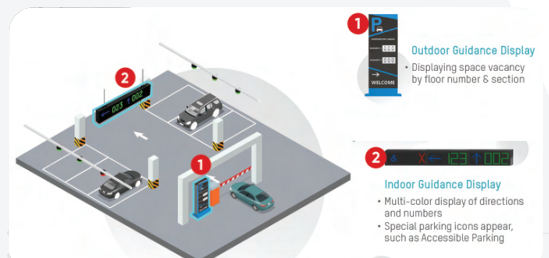

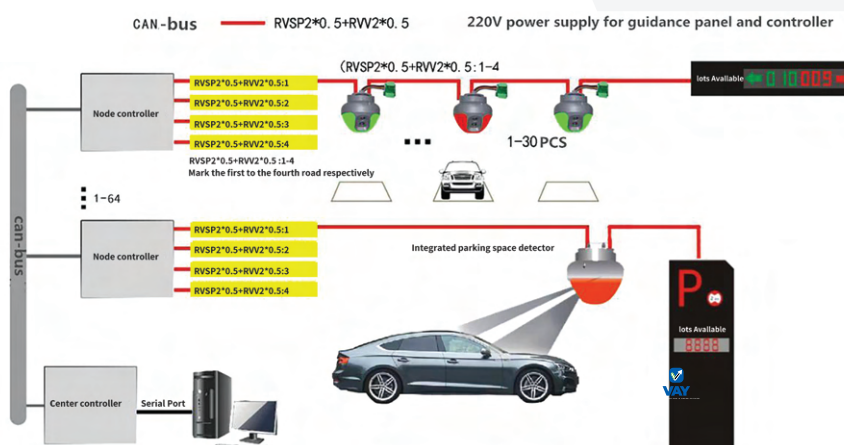

Hailian and VAY invests heavily in research and development (R&D) in Japan and follows strict quality standards. Its products are sold globally and meet various certifications. The company excels in supply chain management and manufacturing.

Hailian and VAY are leaders in using advanced technologies like intelligent hardware, cloud computing, mobile Internet, and the Internet of Things (IoT). Together, they have developed innovative products that are protected by patents and influence industry standards. Their expert R&D team has created a complete range of solutions, including hardware, software, payment systems, mobile apps, and operational services.

These solutions are widely used in transportation hubs, government offices, residential communities, commercial centers, airports, hotels, schools, hospitals, offices, and other locations requiring efficient vehicle and personnel management.

## Product Overview

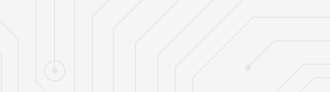

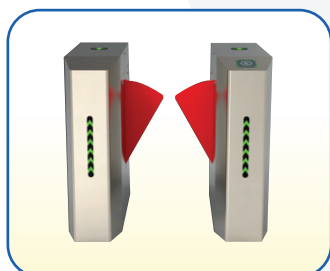

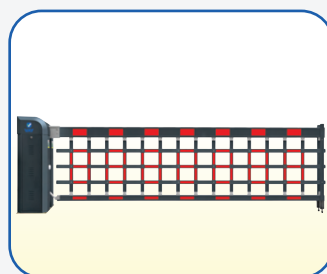

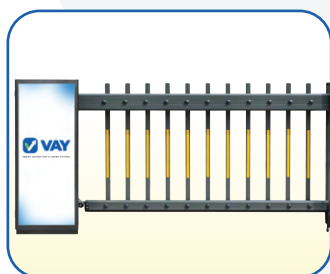

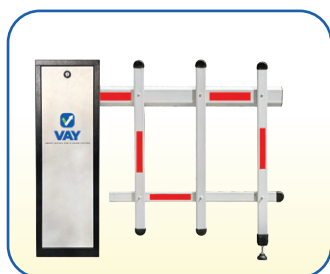

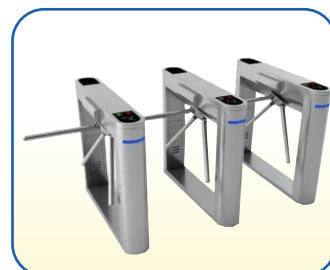

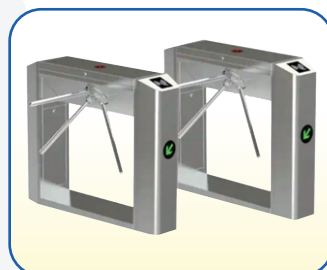

- Parking Management
- Parking Guidance Management
- EV Charging Management
- Traffic Management
- Electronic Gates

# VAY Access Control Systems

- Intelligent Tripod Turnstile
- Smart Wing Barrier
- Intelligent Swing Barrier
- High-end Express Gate
- Intelligent Sliding Sidewalk Gate
- Intelligent Face Recognition Equipment
- Integrated Anti-terrorist Lifting Column
- Ev Chargers
- Intelligent License Plate Recognition
- Intelligent Barrier Gate.
- Advertising Barrier Series
- Large-scale Barrier Gate
- Self-service Payment Machine
- Speed Bump
- Parking Lock
- Traffic Barrier
- Automatic Rising Bollard
- Fixed Lift Column
- Semi-fixed Rising Bollard
- Solar Road Studs
- Zebra Line Road Studs
- Solar Traffic Warning Lights
- LED Arrow Signages
- LED Signal Lights
- Solar Mobile Traffic Light.
