

Workshop Guide

If you are a business owner, that is a homemaker rather than candles, lotions, soaps, clothing, etc. and would like to get your business out there while teaching others DIY techniques. We're offering a great opportunity for your business and ours. The Nehemiah Foundation will be co-hosts of the workshops featuring you and your business. Tables, chairs, set-up assistance, planning, light refreshments, and event advertising for the workshop will be done by TNF. You, the workshop host will be responsible for providing any materials needed to teach the workshop attendees as well as assist with advertising your event. Hosts are required to fill out the Workshop Hosting Form for every workshop that you would like to host and pay the workshop fee of \$25. The workshop host will receive 65% of the proceeds made for the workshop ticket sales. The remaining 35% will go back into TNF business to help with community programs and other events. If you would like to sale some of your items at the event, you are more than welcome to do so. Please inform us in advance of the products being sold so we can assure you of adequate space. TNF does not take or require any additional funding for sales made at workshops. You are welcome to donate to our cause if you would like but not required to. Please be sure to send us your business logo for advertising purposes.

****Please note workshop hosts must schedule/register for workshops 2 weeks in advance for space reasons. ****
