BIOGRAPHY

With over 20 years behind the deck, DJ Tak has reigned over the city's nightclub scene, astonishing and captivating countless local and international music aficionados.

Playing since 2000, Tak emerged during the trance years and is no ordinary club banger house DJ. Known for his infectious remixes and high-energy sets, he strives to carve and experiment ground breaking club music with seamless yet high-octane blend of Techno, Hip Hop, Reggae as well as classic tunes, producing mind capturing rhythms that never fail to get the crowd moving. With his knack for sultry sounds and textured beats, he has been turning heads and pumping fists wherever he goes, taking his audience on ethereal musical journeys.

Holding down residency at some of the city's most famous hotspots such as Department & Co., Sound Department, Zentral, Magnum and Beijing Club, he has also performed in major music festivals including Ultra pre-parties and Dragonland. Tak has also spun tracks across the world from China, Taiwan to the U.K and opened for performances of numerous world-renowned Top 100 DJs including Alan Walker, Bingo Players, Marshmello, Julian Jordan etc.

He showcases his true talent by combining songs from different genres that will keep you locked into his groove all night long. With his flavorful tricks on the decks, he is bound to anchor massive parties, creating momentum throughout the entire room and keeping club goers wanting more.
