What Kind of event do you have?

Corporate event - We have projections for presentations, Dry erase board, seating for 150! We can bring lunch or dinner to you! Its a quiet place for any meeting, afterwards you can do team building with pool tables, and a large space for gathering.

Wedding Reception -

Decorate to match your colors, invite everyone (even those that couldn't make the wedding!) we can do a dinner as casual or as formal as you desire. afterwards the dance floor is open for everything from the first dance to the garter throw, add a DJ (we have DJ's available) and its a formula for stories that will last as long as the marriage.

Reunions -

Whether its a 5 year or a 50 year this is a great place to get the ol' gang together. plenty of hotels withing a couple of miles, close to the stadium, or worlds of fun. this would be a great centralized location to get the party started like its "1999"

Birthdays - We have done a lot of these!! And we know its hard to keep everyone entertained. If its grandmas 80th, Lisa's 30th, or Bob's 62nd it does not matter. Friends can mingle, children are welcome, its your party and only your imagination can hamper the fun!

Holiday Parties - So sure... there is Christmas, and again what a great place for company parties so make your plans early! But there are all kinds of holidy parties, do you want to do a halloween party, just like back when we were kids?, the whole neighborhood, friends, families, kids. have a grand costume party! and if you have one of those big extended families and running out of space for thanksgiving?

Fundraisers - OH yes, we have hosted huge poker parties, sales, seminars. We have ideas to help but there are so many things, if you need a room for a large gathering we have it.

What else is cool about the Banquet room?

- Fully stocked bar - 8 beer taps
- Private restrooms just for your party.
- DJ Booth, bring your own music
- Dance floor and stage, hire a band for the big day
- Pool tables, dart board, golf game, adding more stuff all the time to help you entertain

OK, So what's the story?

There is no charge for the room, all we ask is -

1. that the total sales of your party exceed \$500
2. 18% gratuity on the main tab
3. \$100 deposit to lock you in. (Deposit will be returned the night of the party)
4. All Food is served Buffet style with many options available or we can customize your menu!

I have seen so many venues charge extravagant prices from \$100 for coffee service to \$200 to use a projector. Places charge \$800 for the room rental and another \$200 to clean it up. Anytime you needed something the price kept going up and up just to use a dry erase board or more napkins! We wanted a place where you can host any gathering and not break the bank! Comfortable/Casual!

So, What are you waiting for? You know there is an event/meeting/party that you have been looking for the perfect venue, this is it, Check us out online or give us a call, we have many partners from DJ's, picture booths, balloon creations, anything to meet your needs!, Email Tiff@tiffnjays.com or Jay@tiffnjays.com, we'll get you a menu and answer any questions.
