

# Buy Now, Pay Later for Law Firms

Help clients get all the legal services they need today with Buy Now, Pay Later (BNPL) powered by QuickFee. Clients can pay off their transaction over time using an existing credit card: no hard credit checks, no lengthy approvals.

## Why your clients will love it:

- + No more waiting on credit or financing approvals.
- + Easily manage large or unplanned expenses.
- + Avoid interest charges and high APR.
- + Minimal or no impact on credit score.

## Why your business will love it:

- + Get paid upfront within a few days.
- + Quick and easy setup.
- + Share your BNPL link anywhere for touchless payments.
- + Proven to increase average transaction values.

## How does it work?

With your Buy Now, Pay Later link, clients can select a monthly payment plan to cover their transaction. Their credit card will only be charged for the first installment (out of 4 total) on day one.

Client visits your unique BNPL payment link to start a new plan.

Client enters their credit card information and purchase total.

Client is charged on a monthly basis. You get paid upfront!
