

Buy Now, Pay Later for Your Business

Offer more payment flexibility for your services with **Buy Now, Pay Later (BNPL) powered by QuickFee**. Customers can pay off their transaction over time using an existing credit card: no hard credit checks, no lengthy approvals.

Why your customers will love it:

- + No more waiting on credit or financing approvals.
- + Easily manage large or unplanned expenses.
- + Avoid interest charges and high APR.
- + Minimal or no impact on credit score.

Why your business will love it:

- + Get paid upfront within a few days.
- + Quick and easy setup.
- + Share your BNPL link anywhere for touchless payments.
- + Proven to increase average transaction values.

How does it work?

With your Buy Now, Pay Later link, customers can select a monthly payment plan to cover their transaction. Their credit card will only be charged for the first installment (out of 4 total) on day one.

Customer visits your unique BNPL payment link to start a new plan.

Customer enters their credit card information and purchase total.

Customer is charged on a monthly basis. You get paid upfront!
