Recital Volunteers

It takes a great group of volunteers to help with the recital each year. If you are willing to volunteer please contact the studio. We will need:

1 parent per class per show to be a Tree Class Mom this job includes: Keeping your group in their area and controlled,

Walking your class to back stage Making sure no one leaves after the show without their parent

Volunteers will not be able to watch the show they volunteer for.

However we will live stream the show in the dressing room for viewing.

You will not be responsible to change other students.

Your help is greatly appreciated!
