

WELCOME TO GREENSIDE

FESTIVAL PROGRAMME 2025

WELCOME TO GREENSIDE 2025

Welcome to our 2025 Programme!

This summer marks 20 years of Greenside at the Edinburgh Festival Fringe—a milestone that invites a moment of reflection, even amid the buzz of another packed August. Back in 2005, we programmed just 18 shows across one venue.

Today, we're proud to be one of the largest programmes at the festival, with over 200 productions taking place across our venues. But numbers have never told the full story. What has defined Greenside over two decades is the people—performers, staff, audiences, supporters, friends and family—who've helped build something that still feels rooted in that same energy, openness, and spirit that started it all.

From the very beginning, Greenside has been a place shaped by community. Our venues have changed, the festival has grown, and the world around us looks very different—but what hasn't changed is our commitment to creating inclusive, welcoming spaces where artists at every stage of their journey can take risks, share stories, and be heard. That's been possible thanks to the incredible teams who've given so much behind the scenes, to long-time collaborators who've become extended family, and to the belief—shared by so many—that performance has the power to bring people together.

As we celebrate our 20th Fringe, we're feeling both proud of how far we've come and excited for what's still to come. Thank you for being part of our journey, whether this is your first time at Greenside or you've been with us since the beginning. We hope you enjoy everything this extraordinary month has to offer.

Darren, Tara and all of Team Green

THANK YOU

THANK YOU

We have to start our thank yous with the very reason why we are here - our wonderful performing companies. We have maintained the same appreciation for our acts since the very start. Without you choosing to be part of the Greenside programme, we would not be here doing what we love. We are genuinely humbled and thankful.

Every year, we have the most wonderful team who work tirelessly to make Greenside happen. Without you wonderful lot, we couldn't deliver the Greenside we are so proud of. Thank you for being incredible every day of the Fringe.

To the unsung heroes of the Fringe - the techies! You make our venues shine and always have a smile on your face. Your ability to fix anything at any time of the day astounds us. A huge thank you to our Production Director, Callum, our Deputy Production Manager, Maddy Wade, Steve and the wonderful team at Live Systems (@livesystemsLTD), and our incredibly dedicated team of outstanding techies.

To our most long-serving and dedicated team members – without you, Tara and Darren would be lost. Thank you, Keith, Jamie, Twitch, and finally Cal. X

To our two wonderful buildings- your generosity and willingness to turn green brings so much happiness to so many people, and we're so grateful that you came on this journey with us. A massive thank you to the wonderful team at the Royal Society of Edinburgh and Riddle's Court.

A big thank you for the continuing support and encouragement to our friends at The Edinburgh Festival Fringe Society and Red61 - you have all been wonderful. Thank you to our designer Chloe for putting up with those late-night ramblings and helping us pull together all our design work this year.

A special and personal thank you from Darren and Tara to our nearest and dearest; Patrick, Georgia, Chris, and Cavan - thank you for being so understanding and supporting our need to run away to Edinburgh each year.

Once again, a huge heartfelt thanks to our staff, performing companies, and members of the #greensidefamily past and present. Every year we have grown and developed, and every one of you has helped in that.

Thank you!

All our love,

Darren and Tara
