

2026-2027 BUDGET

(DRAFT: Fiscal Year Oct. 2026 – Sept. 2027)
Version 2/10/2026

FRANKFORT CITY-COUNTY AIRPORT AUTHORITY

2026 – 2027 FCCAA BUDGET

The following is the 2026-2027 Frankfort Dow Memorial Field (FKS) Budget as proposed by the Frankfort City-County Airport Authority (FCCAA) in accordance with the State of Michigan Public Act of 1968 – The Uniform Budgeting and Accounting Act.

The FCCAA was created under the Michigan Act 206 of 1957. It is an incorporated airport authority for the planning, promoting, acquiring, constructing, improving, enlarging, extending, owning, maintaining, and operating the landing, navigational and building facilities necessary for a community airport.

FKS is bound to specific guidelines and is part of a larger network described as the national transportation system. This structure is referred to as the National Plan of Integrated Airports System (NPIAS) that identifies airports that are critical to the national transportation system.

NPIAS falls under the regulatory arm of the Federal Aviation Administration (FAA). The FAA provides guidance to airports, helping them to remain eligible for federal funding. The FAA provides \$150,000 grants to FKS to fund qualified projects addressed in the FKS Airport Capital Improvement Plan (ACIP). These funds are provided at a 90% federal, 5% state and 5% local split.

CERTIFICATION OF LOCAL APPROPRIATIONS

The FCCAA intends to pass the 2026-2027 Budget, at a regular meeting of the FCCAA, at which a quorum of the Board will be present, and held at the offices of the FCCAA at 650 Airport Road, in Frankfort, Mich., on Mar. 26, 2026, having complied with the provisions of the Open Meetings Act.

For the FCCAA fiscal year ending Sept. 30, 2027, there is appropriated for the corporate purposes of the FCCAA, the total sum of \$45,000.00, which is deemed necessary to pay the costs of operating and maintaining FKS, as detailed to each participating county, city and township:
