Dear Martin and members of the West Sussex Mini Owners Club,

I am writing to say a huge thank you for your recent donation of £2,000 to Chestnut Tree House and St Barnabas House. Your support makes hospice care happen in your local community, and we are truly grateful for your continued support.

With the help of our local community and people like you, we have been providing our free care services for adults, children, and families who know they don't have long together. Your donation means that local people with life-limiting or life-threatening conditions or illnesses will receive the care they need. They'll be cared for in the comfort of their own homes or in the peace and tranquillity of the hospice. And their families will be supported for years to come with bereavement counselling and opportunities to remember their loved one.

YOU make this possible. Thank you once again, it is very much appreciated, and together we can make every day count – the good days, the bad days and the last days.

With heartfelt thanks and kind regards,

Alice Jalley
