OUR CHANCETN CAREGIVER JOURNEY MAP

01 Recruitment & Pre-Screening

First, families complete Our ChanceTN's pre-eligibility form. If they are potentially eligible, families are scheduled for registration.

02 Registration + Randomization

At this stage, families provide their verification documents for eligibility, complete the registration and initial assessment, and are then assigned to a Family-Centered Coach.

During this process, caregivers will be randomly assigned to one of our three pathways. Each pathway includes a dedicated coach, financial counseling, customized resources, and \$1,000 in client assistance.

03 Enrollment

After registration, caregivers have their first coaching visit with their Family-Centered Coach. During this meeting, caregivers can view their benefits cliff snapshot, showing income ranges where cliffs occur and when they will be beyond these cliffs. At the end of the first visit, families are officially enrolled into Our ChanceTN!

04 Family Journey Begins

The family is enrolled and on their way to financial independence and success!
