ARCHITECTUAL IMPROVEMENT APPLICATION PROCESS

FIRST you will need to visit: https://snakeriverhoamgmt.homesteadcloud.com/subdivisions and find your HOA's link from the list. After selecting your HOA, you will find the "Homeowner Portal" link at the top of that page.   Follow that "Homeowner Portal" link to log into your portal.

After you have successfully logged in to your portal, follow the steps below:

1-Find the card stating ARC/ARB Application, and select the link "Launch ARC" at the bottom:
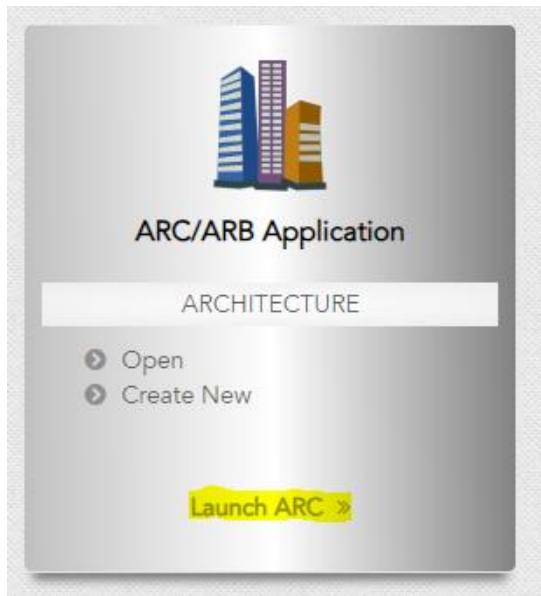

2-Then, follow the "create an ARC Application" tab (see below) and select the type of improvement you are submitting in the drop-down box to get started.
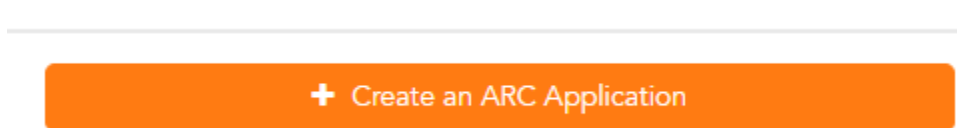

3-Complete the application in the fields provided with as much detail as possible and select "**submit"** your application, it's that easy!
