From Our HOA President

Fellow Home Owners of Hunter's Point Subdivision:

I hope you all had a great Holiday Season and your 2019 is off to a great start!

I want to personally thank everyone who participated in the 1st annual Holiday Light display competition, our Subdivision looked great because of what you all did! If you have any ideas that you would like to see, please feel free to let us know so we and implement them.

Looking forward from here, our annual meeting is scheduled for February 7 at 6:30pm at Iowa Elementary School. I look forward to working with all of you to continue to move us forward. If you would like to be involved on the Board or on one of our committees, please let me know. We are always looking for as much involvement as we can get from all our neighbors!

I am excited about many of the communication platforms we have coming available to us. These new platforms will allow the Board and us as neighbors to communicate more efficiently. I know that was one of the big concerns from the majority of the HOA is the lack of communication. I am excited that we will be moving forward with these new items.

I look forward to meeting and talking with all of you at the annual meeting. Let me know if you have any concerns or questions you would like to discuss beforehand.

Thank you for everything you do,

Joe Lammers
