Coverage

Rely on \$1 million identity theft expense coverage†

Allstate Identity Protection *Select* is on duty 24/7, helping protect you and your family. Here's what you get with our valuable protection:

Credit Monitoring

Credit Monitoring/Rapid Alerts

You'll receive real-time alerts for new credit inquiries associated with your name, and alerts for transactions like accounts in collections, new accounts, and bankruptcy filings.

Auto-on Monitoring**

We auto-enroll you into TransUnion's credit monitoring service when your Allstate Identity Protection *Select* service becomes active.

Financial Monitoring

Financial Transaction Monitoring

You can keep tabs on your banking and credit card accounts from multiple financial institutions in one place. You can even set thresholds for transaction amounts and balances on each account, giving you greater insight into potentially fraudulent activity. If we detect a transaction that exceeds your threshold, we'll send you an alert.

High-Risk Transactions

We'll send you an alert for suspicious activity related to certain high-risk transactions that are non-credit bureau-based like medical billing, cash advances, and student loan withdrawals.

Student Loan Activity

You will receive an alert if a new student loan account is created in your name.

401(k) Transaction Activity

Any time a 401(k) transaction falls outside of your stated thresholds, we'll notify you.

Bank Account Activity

We monitor your banking activity and alert you when a checking or savings account application is submitted in your name, or when changes are made to your personal information.

Protection as unique as your identity and finances

Dark Web Monitoring

Compromised Credentials

We deploy bots and human intelligence operatives to scour closed hacker forums for your email address, driver's license and other ID cards, credit card numbers, or Social Security number information and notify you at once with anything we've found.

Web Login Scan

If your username is detected on the dark web, we'll send you an alert.

Credit/Debit Card Scan

We'll alert you if we find that one of your credit or debit card numbers is mentioned, used, or listed for sale on the dark web.

Synthetic Identity Fraud Coverage

We monitor for synthetic identity theft, which is a type of fraud that involves a criminal taking your real information and combining it with fake information to create a new identity.

Breach Notifications

We send a notification every time there's a data breach affecting you so you can take action immediately.

Additional Coverages

Solicitation Reduction

We will help you to opt in or out of the National Do Not Call Registry, credit offers, and junk mail.

Lost Wallet Assistance

If you misplace the contents of your wallet, we'll walk you through the process of replacing any of the items that you lost.

Deceased Family Member Coverage

If you have a family account, we will assist you in remediating any identity theft that involves for a deceased family member.

Remediation and Support

Full-Service Remediation

We will fully manage your remediation case and restore your identity, saving you the potential time, money, and stress that comes with being the victim of fraud.

Monthly Status Email

Every month, you'll receive an email with your Identity Health Status so you are aware of your risk level.

Identity Health Status

Your Identity Health Status communicates alerts to you that show your overall identity health risk level and what factors contribute to it.

24/7 Support

Our expert Identity Specialists work in-house and are available 24/7 via email or phone.

Expense Reimbursement

If you fall victim to fraud, we will reimburse your out-of-pocket costs up to \$1 million.[†]

Stolen Funds Reimbursement

Should fraud or theft hit your bank accounts, we'll reimburse the stolen funds up to \$500K.

Identity Specialists Can Help

Our Identity Specialists will help you freeze your credit with the three major credit bureaus, if needed.

Credit Fraud Alerts

If you believe your identity is at risk of being stolen, our Identity Specialists can assist you by placing a fraud alert with the credit bureaus to add an extra layer of protection.

Protect yourself and your family

Did you know that families are more likely to experience identity theft than individuals?

And when they do experience fraud, it takes families two times longer to resolve. Plus, the costs that families incur as a result of fraud are three times higher.² Our Family Plan provides coverage for kids and teens of all ages, so you can help protect their future and give them a safe head start. If they are dependent on you financially or live under your roof, they're covered.*
