

**IMPORTANT: This is a fixed indemnity policy,
NOT health insurance**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- **Visit [HealthCare.gov](https://www.healthcare.gov)** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website (**[naic.org](https://www.naic.org)**) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

Hospital Indemnity Insurance

Protection for hospital stays when a sickness or injury occurs

THINK ABOUT THIS

Americans pay nearly 60% more for hospital stays than patients in Europe and Canada¹

\$11,700

The average cost of a 24-hour hospital stay in the U.S.²

Two-thirds of Americans received an unexpected medical bill following a hospital stay in 2020³

A sickness or injury could land you in the hospital. Your medical insurance may only cover some of it, leaving you to pay for deductibles and coinsurance fees. Hospital Indemnity Insurance can help ease your financial burden so you can focus on recovery.

Here's How It Works

- Select the coverage that's right for you and your family
- If you or a family member requires a hospital stay, you file a claim
- A cash benefit is direct deposited or a check is mailed and can be used however you wish*

Protecting Your Finances

You've worked hard for your savings – don't let a hospital bill wipe them out.

- Protect your checking and savings
- Don't dip into your 401(k)

**Protecting insureds
for over 60 years**

Meeting Your Needs

- Guaranteed Issue coverage without a Pre-Existing Condition Limitation*
- Coverage can include your dependents
- Premiums are affordable and can be conveniently payroll deducted
- Coverage may be continued; refer to your certificate for details
