

Complete Holiday Meals:

*Fall is here and nothing embodies holidays like an apple pie baking or a turkey roasting in the oven. **The Market Freshno** prepares for the holiday season with complete wholesome and delicious holiday meals with everything you can imagine in a holiday spread from creamy mashed potatoes, to succulent green beans, nutritious salads, delicious dressings, stuffing and of course beautifully marinated turkey and prime rib.*

***The Market Freshno** has a selection of holiday meals giving you the opportunity to spend less time in the kitchen and more time with the family! With our carefully curated selection of meats that are sourced from the best and most reputable local farmers, with wonderful sides, marinades and salads, all you need to do is just cook the meat and re-heat everything else, place it in your own bowls and plates, and you have a holiday meal ready to eat in a matter of minutes.*

*Holiday meals at **The Market Freshno** are anything but ordinary. Treat yourself and your guests by putting together a selection of different meats, mash, dressing and stuffing- just tell us what you need, we will pack it up for you and you're out of the grocery store in a moment. Get back home, pop what you want in the oven or microwave, cook the meat and you have a meal ready to please! Everyone will think you made it from scratch! And don't worry- we will keep this our little secret.*
