

IT Update

Todd Armstrong, IT Director
Elaine Delapaz, IT Assistant

November 16, 2021

Webb CISD Family,

Recent technology-related projects include...

1. Replacing a dozen video surveillance cameras and displaying on a large TV screen.
2. Programming new keycard door lock systems at OES, BMS, BHS & Bruni cafeteria.
3. Behind-the-scenes prep work on upcoming Gabbart CMS website.
4. Ongoing refurbishing and deployment of existing laptops and desktops.
5. Product/price research for tech budget items and Esser grant qualified items.
6. Scheduling future Spring rollouts of classroom improvement technologies.
7. Official application for Google G-Suite/Classroom tools.
8. Improvement of large group audio-visual systems.
9. Ongoing, daily tech support, including PC rescues.
10. Etc.
