Reminders:

-July 21 @ 6p and August 1 @ 9a are our Annual Parent Meetings! In these meetings, Sydney will go over the Parent Handbook, rate changes, and answer any questions. A lot of our paperwork is going digital through Brightwheel this year. Closer to time, we will send out a reminder with info about the meeting and times.

-August 6 & 7 are teacher in service days, which means we will be closed! This time allows teachers to get into their new classrooms, organize, and get everything ready for the first day of school.

-August 10 is our first day of the new school year! Classes have gone in both big and small groups to explore their soon to be classrooms!

What's the scoop?

Thyme with Kaylee

What's growing in our Farm & Garden Program?

Howdy! Our Farm & Garden Program is continuing to grow! We've got three healthy little chicks. As long as they are not roosters we will be keeping them. Momma Brownie has been doing such a great job of caring for them and we've seen her give a piggy back ride or two. We've had two other hens go broody recently (Snowflake & Sunshine) so we will be hatching more chicks very soon!

All of our friends in our Baby room over the age of 1 participate in the Farm & Garden Program. This looks like visiting the various animals at Parkside: frogs, fish, chickens, goats, and Dottie cat! They pop in for a visit and get to watch them in their habitats!

Our friends over in the Waddler class have worked hard on painting tin cans that are now being used as planters! They are growing rosemary, lemon balm, and basil as well as zinnias and marigolds.

Goodbye, Pre-K Class of 2026!

This is a sad but beautiful season of goodbyes for Parkside. We say goodbye to our Pre-K friends at the end of July or beginning of August. What a joyous and wonderful group! We will miss all the hilarious and sweet personalities of this group. We send all of our love for their continuing growth, happiness, and education! We also appreicate and adore Mrs. Ashley and Miss Madison for pouring their hearts and souls into this group over the years. We 💚 Pre-K!

Annual Summer Party

Our Summer Party happens at the end of Summer Spirit Week. We loved getting to spend some extra time with everyone and it was a blast! The water blasters were definitely a hit this year, I hope you enjoyed getting cooled off!

Summer Spirit Week

Our 2026 Summer Spirit Week had nearly 100% participation! Friends were so excited to see how everyone dressed up everyday. The favorite day seemed to be Superhero or Rainbow/Unicorn Day!

If you've got any old iPhones (11th gen or newer, please!) you'd like to donate to our program, please let us know! We use them in the classrooms to take pictures, communicate with parents, and also do our portfolios for P/T conferences! TIA!
