GROSS MOTOR AND PROBLEM SOLVING IN BABIES

## Heat has Arrived

Happy hot weather season! Remember, there is no such thing as bad weather, only bad gear! Please pay attention to weather this summer and dress your child appropriately. Expect that your child may come home damp or muddy, and we suggest being prepared with a towel in the car just in case.

Our outdoor classrooms are really starting to come together! Please refer to our list of things we are interested in having in our classrooms and if you can donate please let us know! Regarding donations, we appreciate parents wanting to support us by donating items, but please have your donation approved by admin first. This includes book donations. Thank you!

## Dates to Remember

June 17th-Early Out CLOSE 5 p.m.
