SWEET SOCIAL INTERACTIONS IN BABIES

## Anticipating Spring Time!

We would love to plan a day or a week for families to drop in and help with the garden! We will work on making a sign up form and get that out to families as soon as possible.

Reminder that our March activity fees will be billed and due the 15th of March. We plan to use these fees to buy class rain suits and to contribute to our garden plan!

We appreciate you all through this season of wild weather on top of the pandemic. We are feeling like we are reaching the new normal and can finally breathe again. Thank you for choosing Parkside as the place your child comes to grow! Parent Teacher Conferences to be held the last week of March!
