## We Love Warm Days

Happy May! This year is speeding by. We have some maternity leaves coming up this summer and some other adjustments to the schedule. We will update parents as we finalize what teachers will be in which rooms to accommodate.

We are still searching for someone to take over the PTO. Please email Leah at [leahjeanine@gmail.com](mailto:leahjeanine@gmail.com) or chat with Paige if you are interested in helping! PTO helps organuze monthly fundraisers and other various events throughout the year.

We appreciate everyone checking children in and out. If you have new people picking up, they can be added to Brightwheel and will have their own code. We are happy to help as much as we can!
