November 2022

OBSERVING WEATHER IN WADDLERS

## Chili Weather is Here!

With weather cooling off please remember to watch the weather, and send your child to school in layers. A hat and glove set should be kept in their backpack, and you can keep an extra set here as well if you would prefer. We have a parent taking on the PTO again so please watch out for updates!

From the kitchen:

As the weather continues to cool down, we are doing what we can to stay warm and cozy this month. What does this mean for our November menu? We will be exploring a few different preparations of chili using fall flavors such as butternut squash, pumpkin, and cinnamon. Keep an eye out on our social media pages in the coming weeks for the much anticipated release of our Parkside Cookbook! It will include a selection of recipes we use throughout the year including one of our curry recipes, our mac-n-cheese recipe, our chili recipe and many more! As always our monthly menus are available for viewing on the Parkside website under the 'Parents' tab. Have a family recipe you think your Parkside family may enjoy? Submit recipes to [parksidekitchen20@gmail.com](mailto:parksidekitchen20@gmail.com), and your recipe may be chosen to be featured on our menu. Please note that recipes may be altered to meet state and allergen regulations.

## Dates to Remember

- November 8th-Alejandra 1-Year Work-aversary
- November 16th-Ashley 1-Year Work-aversary
- November 18th-Early Out CLOSE 5 p.m.
