## Parkside Post: Octobell Excell 2025

October is such a fun month crammed pack with so many things! Take a look at the section below with important dates so you don't miss out! We enjoy being able to host so many wonderful opportunities for our Parkside community. Once all the festivities in October are finished it's smooth sailing through the holiday season.

The biggest event in October is Fall Fest! We set up activities and invite families in to play games with their kiddos. The Fall Fest has been a family favorite event for the last several years, and we hope to keep this tradition going for years to come!

Incorporating families into our program is so important to us for many reasons. Not only do we host family events at our center, but love the mutual respect between teachers and parents, consistent communication and shared goals and strategies. In our experience when children see the collaborative care between their caregivers at school and at home it makes a big difference!
