

2026 Seasonal Boat Slip Lottery

The 2026 Lottery for vacant boat slips at Summersville Lake Marina was held on April 2nd, 2026, at the US Army Corps of Engineers, Summersville Lake District Office.

As you may know, demand for boat slips on Summersville Lake far exceeds lake capacity. Summersville Lake Marina is limited by the US Army Corps of Engineers to four hundred seventy-three (473) boat slips. As of 2017, new boat slip renters are limited to five (5) year terms. This new boat slip assignment system was enacted to ensure more equitable boating access on Summersville Lake for the public.

One hundred seventy (170) boaters submitted applications to be considered for thirty-five (35) vacant boat slips. Two (2) applications were removed due to violating the rules, and two (2) applications were combined into one because they were for the same boat. The list of lottery applications was completely randomized. Applicants were then assigned vacant boat slips based upon their rankings on the list and the dimensions of their boats and available boat slips.

The following Lottery applicants were successful in obtaining a boat slip:

- Andrew Garland (5-year slip)

If additional boat slips become vacant during the 2026 boating season, the current Lottery list will be used to select additional boat slip renters based upon rankings and boat dimensions (please see the next page). The current Lottery list will expire on September 20th, 2026, and boaters will have the opportunity to submit applications again for the 2027 boating season in March 2027.

As a reminder, the Marina also offers a limited number of overnight boat slips for transient boaters. You may request a transient boat slip at SummersvilleLakeMarina.com/Transient-Slips.
