

2024 Boat Slip Lottery

The 2024 Lottery for vacant boat slips at Summersville Lake Marina was held on April 15th, 2024, at the US Army Corps of Engineers, Summersville Lake District Office.

As you may know, demand for boat slips on Summersville Lake far exceeds boat slip and lake capacity. Summersville Lake Marina is limited by the US Army Corps of Engineers to four hundred seventy-three (473) boat slips. As of 2017, new boat slip renters are limited to five (5) year terms. After the old waiting list was exhausted, a lottery system was implemented to assign vacant boat slips. This new boat slip assignment system was enacted to ensure more equitable boating access on Summersville Lake for the public.

One hundred eighty-three (183) boaters submitted applications to be considered for thirty-four (34) vacant boat slips. The list of lottery applications was completely randomized. Applicants were then assigned vacant boat slips based upon their rankings on the list and the dimensions of their boats.

The following Lottery applicants were successful in obtaining a boat slip:

- Heath Anderson *(5-year slip)*

Successful applicants are currently being notified of the next steps they need to take to secure their boat slip. **Once formally notified, they will have two (2) weeks to submit payment, a completed and signed boat slip contract, and a valid copy of their boat registration.**

If additional boat slips become vacant during the 2024 boating season, the current Lottery list will be used to select additional boat slip renters based upon rankings and boat dimensions. The current Lottery list will expire on September 15th, 2024, and boaters will have the opportunity to submit applications again for the 2025 boating season.

As a reminder, the Marina also offers a limited number of overnight boat slips for transient boaters. The waiting list is currently live at SummersvilleLakeMarina.com.
