

## *Family Specials*

Sandy and I are very excited to share some of our family cuvées with you.

They have been making wine in the village of Martigné-Briand in Anjou, Loire Valley for 5 generations.

My father (Olivier) took over the 10 hectares of his grandparent's land in 1984.

My brother and his Partner (Baptiste & Gaëlle) took over half of the vineyard in 2012 and started "Le Batossay" project.

In the field, everything is worked by hand with the help of our shire horses following organic and biodynamic principles.

In the cellar, no chemicals or sulphate are added to the wine and only old vinification methods are used.

We hope you enjoy them as much as we do.

Sandy & Clément.
