

Family Specials

Sandy and I are very excited to share some of our family cuvées with you.

They have been making wine in the village of Martigné-Briand in Anjou, Loire Valley, for 5 generations.

My father, Olivier, took over 10 hectares of his grandparents' land in 1984.

My brother, Baptiste and his Partner, Gaëlle, took over half of the vineyard in 2012 and started "Le Batossay" project:

@baptistecousin_lebatossay

Everything is worked by hand in the field with the help of our shire horses, following organic and biodynamic principles.

No chemicals or sulphite are added to the wine in the cellar, and only old vinification methods are used.

We hope you enjoy them as much as we do.

Santé! Sandy & Clément

Cuvée Bavette

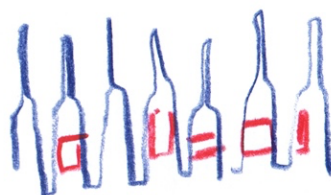

The 2023 vintage presented an unusually abundant harvest, leaving our family with more Cabernet Franc grapes.

This led to the creation of Cuvée Bavette, using the surplus grapes.

Unlike the family's traditional cuvées, grapes for Cuvée Bavette were left with their stems during a much shorter maceration. This results in a light to medium-bodied wine with a fruit-forward profile, notes of red berries, green peppers, and an earthy undertone, typical of Cabernet Franc.

When opened, it is a lively red with a bit of spritz, which helps keep it fresh and fun. It is a perfect pairing for our bistro dishes.

2023	Olivier Cousin , Cuvée Bavette - Anjou Loire <i>Cabernet Franc</i> (Served chilled)	£39

Beaujolais Specials

Two weeks, we celebrated Beaujolais Nouveau. Vineyard workers typically enjoyed this early vintage release to mark the end of grape picking. It's also famously associated with an eccentric 80s race in which Wine Marchant would compete to get the first bottles to London.

To mark the occasion, we listed a couple of our favourite Beaujolais Nouveau alongside as many of the Grand Crus as we could get our hands on.

Nothing says "bistro wine" like a delicious Gamay!
