

Performance Classes

The Performance Level Classes of our agility program are designed as a place for students to continue their agility training once they have completed all the previous levels of our training program, including contacts and weaves. Students will continue their training at this level to perfect their handling techniques and teamwork with a focus on sequences, patterns and skills that will be seen at a trial/competitive level.

Once a month we do have a class in an arena so that teams can practice running on dirt and in a larger area. Currently, our arena evenings are on the second Wednesday of the month from 7-9 pm, where both Wednesday and Thursday nights combine. We realize that being in a barn is not ideal for all handlers, so the weeks that we are at the arena you will have the option of attending Wednesday at the arena or Thursday at See Spot Run but not both. There will be 16 open spots (first come first serve basis) at the arena.

The format of Performance Class is based on a monthly subscription format. The cost will be \$100 per month per dog due on the 1st of the month. We will be using PayPal or credit card subscription payments service for the simplicity, but other forms of payment (cheque/cash/debit) can be arranged at See Spot Run. **Regardless of payment method all monthly payments are due on the first of the month.**

The class options will be:

Wednesday	6:00 – 7:30 pm	Starters/Advanced
Wednesday	7:30 – 9:00 pm	Advanced/Masters
Thursday	6:00 – 7:30 pm	Advanced/Masters
Thursday	7:30 – 9:00 pm	Starters/Advanced

**Starters – not yet competing or new to competing*

**Advanced – competing at an advanced level*

**Masters – competing at a masters level*

Spots in classes will be on a first come first serve basis. **Once you are registered for a spot (day & time) you will continue to hold that spot month to month unless two weeks notice is given to cancel your subscription.** If you are unable to make a monthly commitment, we will create a substitution list through email and/or Face Book. In the event a monthly member cannot make their class, they will post and find a substitute. You will then be responsible to pay the person who you are subbing for.
