Agility Class Descriptions

Regular Classes: These classes are open to all dogs, 18 months of age or older, as described within the current AAC rules.

Special Classes: These classes are open to all dogs but are intended for dogs that are of a size or stature that limits their jumping ability. A dog may no longer compete in Regular classes after being entered at an official trial in any Special class except that they may move to Veterans.

Veterans Classes: These classes are for dogs seven years of age or older that are currently competing in any Standard Agility Class and for dogs five years of age or older who have competed in the Specials Agility Class for a minimum of one calendar year.

Junior Handlers: We are pleased to offer junior handlers classes. The AAC has expanded the Junior Handlers program to allow juniors to run in and earn qualifying scores in all classes, including games. Juniors will have veteran times and may run at a height lower than that at which the dog normally competes, and can accumulate their qualifying scores with different dogs.

Starters Games Classes: The Starters Games Classes are for dogs that have not completed two clear rounds in that particular game under two different judges.

Advanced Games Classes: The Advanced Games Classes are for dogs that have not completed three clear rounds in that particular game under two different judges.

Masters Games Classes: The Masters Games Classes are for dogs that have fulfilled the requirement of achieving three clear rounds in each particular game under two different judges.

Starter Standard Class: The Starters Class is for dogs not having earned the Agility Dog of Canada (ADC) title. Dogs completing three (3) clear rounds of Starters Standard, as defined by the AAC Rules and Regulations, shall be awarded the ADC title.

Advanced Standard Class: The Advanced Class is for dogs not having earned the Advanced Agility Dog of Canada (AADC) title. Dogs completing three (3) clear rounds of Advanced Standard, as defined by the AAC Rules and Regulations, shall be awarded the AADC title.

Masters Standard Class: The Masters Class is for dogs not having earned the Masters Agility Dog of Canada (MADC) title. Dogs completing three (3) clear rounds of Masters Standard, as defined by the AAC Rules and Regulations, shall be awarded the MADC title.

Steeplechase: The Steeplechase class demonstrates the dog's ability to run and jump at speeds while maintaining control on the A-frame and weave poles and is open to all dogs eligible to compete in AAC events at any level.

Challenge: This class is only open to dogs competing in Masters Standard class and tests both handling skills and speed.

Team Relay: This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters levels. This game demonstrates team spirit, strategy and sportsmanship.
