## Scent Ranger Classes

The Scent Ranger classes are a chance for the dog to work independently – Ranging-out away from the handler.

There will be a search area clearly marked with a distance line the handler may not cross. The handler may start the dog at any point on the Handler Distance Line. The handler may move freely behind the line. After a correct “alert” call the handler may cross the line to reward the dog. The dog will not be faulted for crossing the Handler Distance line at any time.

### Scent Ranger (CW-ScR1) Level 1

*All teams must begin in this class*

|                               |                              |
|-------------------------------|------------------------------|
| <i>Scent</i>                  | One Hide – BIRCH or CYPRUS   |
| <i>Items in search:</i>       | 8 BOXES in a single file row |
| <i>Distractions</i>           | NONE                         |
| <i>Distance between boxes</i> | 2 – 4 Feet between boxes     |
| <i>Height of Hide Maximum</i> | Ground level                 |
| <i>Distance from Handler</i>  | 7 - 8 Feet                   |
| <i>Time</i>                   | 90 seconds                   |

If the Dog and Handler correctly identify the one hide within the allotted time, does not incur more than one Fault, a PASSING score will be earned.
