

# Cubby Bins

An empty cubby is provided for every Mis Amigos Day Care child with their name on it. If your child gets wet or excessively dirty, We will help him/her change into clean clothes from his/her cubby, and will wash the wet or dirty ones.

Cubby bins are the personal space of each child. Children also like to store “treasures” they have found in the sandbox or yard and sometimes even a special drawing or note they made for mommy or daddy. We wash all wet and soiled clothing and return them (if they are labeled) to your child’s cubby, ready for use next time. This is a courtesy for parents and much nicer than you having to take home a bag of wet or soiled clothing and then remembering to bring it back to stock the cubby.

**NOTE: Label everything with your child’s name with a Sharpie or name tags---** even socks and underwear and the insides of shoes. When unlabeled items come out of the dryer at MADDC, they go into the communal clothing cabinet. The best way to do this is to set aside time at home to mark absolutely everything your child may wear to Daycare. If you pass clothing on to a younger sibling, just write your child’s last name on the clothing.

Please bring these item with you on or before your child’s 1st day and check your child’s cubby periodically throughout the year to see whether it needs re-stocking. You will take everything home to wash and re-stock over the Summer break and Winter holiday.
