# Recycling Programs

CITY OF GREATER  
**BENDIGO**

**CLOSE  
THE  
LOOP**

We are a drop-off point for soft plastic waste. Three bins for soft plastics are situated beside the pathway at the side of the House.

An arrangement has been struck between the City of Greater Bendigo and the Close the Loop company. The plastics we collect are taken to the Council collection point at Eaglehawk, and from there it is passed to Close the Loop for recycling into pallets, crates, trolleys, and road-base additive.

Nobody wants to pick the plastic out of the bin piece-by-piece, so **please** drop it off in see-through bags. Thank you.

If you drop your old mobile in to us, we will get it started on it's recycling journey in an official MobileMuster satchel. MobileMuster and their recycling partner companies then recover over 95% of the materials—glass, aluminium, precious & rare metals, plastic—even the paper and cardboard of the packaging are all saved from land-fill.

KEEPING OLD MOBILES OUT OF LANDFILL

**EUFS**  
Pharmacies Est.1916

*The Pharmacy that supports your Community!*

**pharmacycle™**

Thanks to EUFS sponsorship, we take all brands of used, over-the-counter medication blister packs and Webster packs for recycling. Please ensure your blister packs are completely empty and dry before dropping them off. The programme accepts only the actual blister packs – do not include anything else. The blister packs are sent to Pharmacycle, then the metal foils are re-smelted and the plastics are melted down for reuse.

## E-waste recycling

The City of Greater Bendigo has provided Marong Neighbourhood House with one of their small e-waste stations. Drop your e-waste items into us anytime—the e-waste station (bin) is under cover on the side verandah—and we will make sure they don't end up in landfill. We accept any small to medium sized mains or battery powered items, as well as:

Small taped-up batteries

Printer cartridges

Optical disk drives

Double adapters & power boards

USB memory/SD cards

Cables and leads

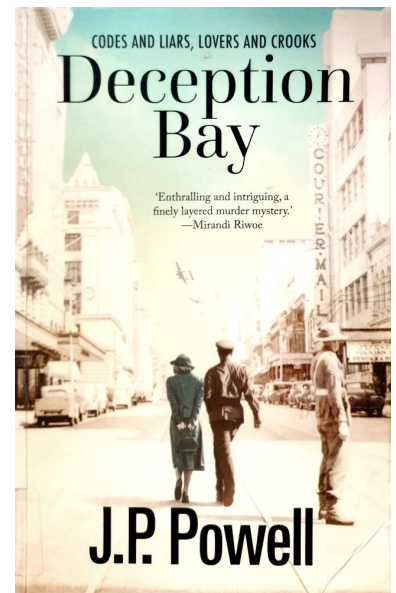

Computer keyboard & mouse

Chargers

Multi-adapter plugs

# Book of the Month

## Deception Bay Author: J.P. Powell

**Genres:** *Historical Fiction, Australia.*

Deceit is usually wrong, sometimes necessary and often the best course of action....

DECEPTION BAY continues J.P. Powell's magnificent Brisbane wartime saga. American MP Joe Washington, an investigator with the Provost Marshall's Office, and Australian Rose McAlister are swept back together when she returns to join Central Bureau, General MacArthur's code-breaking group of eccentrics in 'Brisbane's Bletchley Park'.

Again and again, Joe is drawn to the Brisbane River. Reports of a man who jumped from a bridge, a code breaker allegedly drowned by suicide, and an arm with an unrecognisable tattoo fished out of the water at the submarine base.

Together they follow the clues but are quickly drawn into the city's dark tank stream, filled with predators and conmen and Joe's nemesis, corrupt Queensland detective Frank Bischof.

## Grilled Chicken Pasta Salad

A BBQ chicken pasta salad with fresh flavors and a lightened-up creamy dressing.

Serves: 4

Prep: 15m

Cook: 20m

Difficulty: Easy

### Ingredients

2-3 boneless/skinless chicken breasts  
4 cups uncooked pasta  
Handful cilantro chopped  
1/4 medium red onion chopped (or to taste)  
1 cup smoked cheddar grated  
1 avocado chopped  
BBQ sauce for brushing on the chicken

### Marinade:

1/4 cup olive oil  
Juice from 1/2 lemon  
2 dashes Italian seasoning  
2 cloves garlic minced  
Salt & pepper to taste

### Dressing:

1/3 cup plain Greek yogurt (I used 2%)  
1 tablespoon BBQ sauce  
1/2 tablespoon vinegar  
1/2 tablespoon brown sugar  
Pinch of garlic powder  
Salt & pepper to taste

### Instructions

Butterfly the chicken then cut it in half lengthwise to make thinner cutlets. Add the chicken and the marinade ingredients to a large Ziploc bag and place in the fridge for 30 minutes. Meanwhile, make the dressing and set it aside until needed. Prep your cilantro, onion, cheddar, and avocado.

Start boiling a large salted pot of water. Cook pasta according to package directions. Preheat your BBQ/grill to high heat. Reduce heat to medium-high and cook the chicken for about 4 minutes/side or until it's cooked through but not overdone. Brush both sides of each piece of chicken with the BBQ sauce as needed.

When the pasta is cooked, drain it and rinse it with cool water. Make sure it's drained thoroughly. Add it to a large bowl.

Add the cilantro, onion, cheddar, avocado, and dressing to the pasta. Toss. Slice the chicken and top the pasta salad with it after it cools for a few minutes. Gently mix the chicken in if desired. Season the salad with extra salt & pepper if needed.

## MARONG KINDER READY TO OPEN IN 2026

Construction of the new kindergarten at Marrungi Wayaparra Community Hub in Marong is now complete and ready to welcome children in January 2026.

The new kindergarten will be operated by Y Kinders and has been constructed with \$5.5M in funding from the Victorian Government.

The new kinder will help respond to unmet demand for three and four-year-old kindergarten places in the region by providing a new 99-place kinder with Allied Health rooms.

Both the City of Greater Bendigo and the Victorian Government are committed to meeting the demand for kindergarten places in Greater Bendigo and partnered to build this important new infrastructure for local families.

The new building has been designed using environmentally sustainable building standards and is fully

accessible. It features three kinder rooms, two allied health rooms, staff facilities, outdoor play area, kitchen facilities and bathroom amenities.

The construction of the kindergarten is the first stage of a two-stage project to establish the Marrungi Wayaparra Community Hub. Marrungi Wayaparra means *meeting in Marong* in Dja Dja Wurrung language. Stage two of the project is not yet scheduled for delivery with timing subject to future funding.

The community hub site, bordered by High Street, Torrens Street and Catchcart Street, also includes the Marong Community Hall, Marong Neighbourhood House and Community Garden, old fire shed along with the new kindergarten.

## **Changes to social security payments from 1 January**

A number of changes to social security payment rates will commence from 1 January 2026, with over 41,155 people in the Bendigo Electorate receiving Youth Allowance, Austudy, ABSTUDY, Youth Disability Support Pension and Carer Allowance set to see more money in their bank account each fortnight.

A single adult receiving Youth Allowance with no dependents, who lives away from home, will see their maximum fortnightly payment increase to \$684.20, making their annual payment now more than \$3,800 more since Labor came to government.

Income thresholds for student payments will also increase, as well as the parental income test threshold for Youth Allowance and ABSTUDY.

Around 2,250 people in the Bendigo Electorate receiving the Carer Allowance will see their payments increase to \$162.60 per fortnight, making their annual payment almost \$700 more since Labor came to government. This is in addition to Carer Supplement and other social security payments that carers may also be receiving.

Thanks to indexation, more than 41,155 locals balancing study or caring responsibilities will receive a boost to their payments.

Social security recipients may also benefit from Labor's tax cuts, increased rent assistance, cuts to student debt, free TAFE, cheaper medicines and more bulk billing.

If you have any questions about these payments or any other Federal Government matters, please contact the Bendigo Electorate office on 03 5443 9055 or via email

[Lisa.Chesters.MP@aph.gov.au](mailto:Lisa.Chesters.MP@aph.gov.au)

## **Medicare and PSB changes making healthcare cheaper for you**

Some New Year's cheer for everyone. From January 1, the Federal Labor Government is making cheaper medicines. The most you will pay for a prescription on the Pharmaceutical Benefits Scheme (PBS) will be \$25.

The last time PBS medicines cost no more than \$25 was 2004 – more than 20 years ago.

Pensioners and concession cardholders will continue to benefit from the freeze to the cost of their PBS medicines, with the cost frozen at its current level of \$7.70 until 2030.

Making PBS medications even cheaper, is just one way our Government is making your primary healthcare more affordable.

The Federal Labor Government has also expanded the bulk billing incentive to all Australians and boosted payments to GPs that bulk bill every patient.

So far in the Bendigo Electorate there are 23 fully bulk billing practices and more will join. Is your family GP one of them? If not, ask them why.

Whether your family needs urgent care, regular check-ups or prescription medication, we want everyone in the Bendigo Electorate to have access to affordable primary healthcare with their Medicare card.
