

***Kitchen & Small Space Gardens***  
***by Jan Clark***  
*WSU Chelan/Douglas Master Gardener*  
*WSU State Conference, September 27, 2018*

**Ground rules for success:**

-  Take time to plan
-  Make your space multifunctional
-  Consider individual plant needs
-  Use vertical space
-  Keep water and maintenance needs in mind
-  Plant to attract beneficial insects
-  Plant for multi-seasonal pleasure
-  Remember to maximize your pleasure as well as your space
