National Democratic Platform

“We believe unequivocally, like the majority of Americans, that every woman should have access to quality reproductive health care services, including **safe and legal abortion**—regardless of where she lives, how much money she makes, or how she is insured.”

The graphic is a vertical banner with an orange background. It features a central illustration of three women's faces with orange masks, framed by a rope border. Above them is a silhouette of a crowd protesting with signs and lightning bolts. A starburst contains the text "HAPPENING EVERYWHERE". The text "BANS OFF OUR BODIES!" is at the top, and "No abortion ban in Florida!" is in a white box at the bottom of the illustration. The left side of the banner says "2022 FL Legislative Session" and the right side says "Abortion Ban Bill" and "House Bill 5". A blue bar at the bottom contains the LinkTr.ee logo and the URL "https://linktr.ee/FLReproActionKit".

medication**

Mifepristone,
followed by Misoprostol

12

Talking About Medication Abortion

Medication Abortion:

- is legal in the United States
- has been proven safe and effective (after 20 years of use in the U.S.)
- is an FDA-approved method to end a pregnancy

13

Talking About Medication Abortion

Medication Abortion is over-regulated in Florida

- requires an appointment with doctor/clinic
 - ultrasound
 - “informed consent” material
 - 24-hour waiting period
 - has contract to stock and dispense mifepristone (first pill)
- drives up cost; reduces access

14

Talking About Medication Abortion

Medication Abortion:

- is available for online purchase from overseas suppliers
- **Plancpills.org** offers a guide to:
 - mainstream medical services
 - other ways in which Americans are accessing abortion pills
