

# Capability Statement

## Company Overview

**INTD Solutions LLC** is an emerging government contracting company founded in 2024, headquartered in Davie, Florida. Specializing in the resale of advanced technology products, we serve schools, government agencies, and publicly funded entities with laptops, tablets, desktops, headsets, smartboards, and more. Our mission is to deliver innovative, reliable technology solutions to enhance education and public sector efficiency.

## Core Competencies

- **Technology Resale:** Providing a diverse range of IT products, including laptops, tablets, desktops, headsets, and interactive smartboards from top manufacturers.
- **Customized Solutions:** Offering tailored technology packages to meet the unique needs of educational and government clients.
- **Procurement Support:** Assisting with streamlined procurement processes compliant with federal and state regulations.
- **Reliable Service:** Committed to timely delivery and competitive pricing for all technology needs.

## Differentiators

- **Emerging Expertise:** A dynamic startup with a fresh approach to government contracting and technology resale.
- **Education and Public Sector Focus:** Dedicated to supporting schools and government entities with cutting-edge tools.
- **Vendor Partnerships:** Building strong relationships with leading technology providers to ensure quality and value.
- **Client Commitment:** Prioritizing exceptional service and support for every client.

## Past Performance

**Warren County Emergency Services:** Successfully equipped the team with two high-performance tablets and a durable tablet case, enhancing on-the-ground operational efficiency and response capabilities.
