

THE SPIRIT BEHIND WHAT WE DO

Waagan Galga is a 100% Aboriginal-owned and operated not-for-profit organisation based on Wonnarua Country in Singleton. We provide cultural programs, immersions and events to community across Singleton, Muswellbrook and the Upper and Lower Hunter regions of NSW.

‘Waagan Galga’ means a murder of crows. The Waagan (crow) holds deep significance in our beliefs, kinship systems and connection to the creation time (Nurrampaa). As our community grows in knowledge and embraces the wisdom of the old ways, we become clever together just like Waagan Galga. Our Vision is create and strengthen a community where people feel connection and a sense of belonging to land and each other. Where young people and their families feel resilient, healthy and supported in their life journey and to achieve positive educational outcomes.

Waagan Galga is dedicated to the continuation and sharing of cultural knowledge. Through our culturally grounded programs and opportunities we ensure that culture not only survives but thrives keeping our communities strong, proud and connected for generations to come.
