# PROPHECY UPDATE

*West Valley End-Time Ministries Newsletter*

Today is June 14, 2026, and I feel an urgency to write. Too much is happening of prophetic import on the national and world front to be silent. It has been, of necessity, several months since I published my last WVM Newsletter, but the movements in our world are continuing to progress toward the incredible fulfillment of Bible prophecy, and I must share with those who are also watching for the signs of Christ's return my poignant observations of prophetic movement toward the coming of Jesus.

I begin with the following words of John the Revelator – the specific prophecy we must understand in light of today's news. We must always keep our eyes on **the prophecy**, not solely upon the events around us that point to all the evil in the world and a deterioration of moral values around us, all of which absolutely do point in a general sense to the soon return of Christ! The **prophecies must always be the backdrop on which we interpret the news**, not the events the news agencies report.

Pastor Darrell Chilson

So we begin with the prophecy that is of particular importance for this particular time, over which we lay the news of today:

**11** Then I saw another beast coming up out of the earth, and he had **two horns, like [the Lamb]** and spoke **like [the Dragon]**. **12** And **he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast**, whose deadly wound was healed. **13** He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. **14** And **he deceives those who dwell on the earth** by those signs which he was granted to do in the sight of the beast, **telling those who dwell on the earth to make an image to the beast** who was wounded by the sword and lived. **15** He was granted power to give breath to the image of the beast, that the image of the beast should both speak **and cause as many as would not worship the image of the beast to be killed**. **16** He **causes all**, both small and great, rich and poor, free and slave, **to receive a mark on their right hand or on their foreheads**, **17** and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name. **18** Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of [man]: His number is 666. Revelation 13:11-18 NKJV/YLT.

## The Two-Horned Beast

The two-horned beast in this passage is America, and it is America we must keep our eyes on as the subject of this prophecy. America is the country we have loved and proudly claimed as home. America was founded upon Christian principles by men professing a Christian/biblical faith. For 250 years, America has upheld the values which have made us free. I am a patriot, and proud to be an American. As an avid Republican, I have campaigned for candidates who have championed the values of our constitutional republic. I am enraged at

the corruption so prevalent in the highest echelons of our government today – the cheating, the lying, the stealing, the fraud, false accusation, injustice, imprisonment of patriots, assassinations and attempts to silence the voice of the conservatives who patriotically defend Christian values and our Constitution.

There are two distinct movements and ideologies in America, each opposed to the other and at war within our democracy. But this fact is only that which the prophecy predicted – a “two-horned beast” (a division of power within its structure) with a likeness to the Lamb (the “Christian” element) and a likeness to the Dragon (the anti-Christian, deceptive, corrupt element). John could not have done a better job of describing the nature of this nation today – a nation with an avowed Christian bent and at the same time with a nation with anti-Christian bent and demonic attributes. In February of this year, President Trump established the Religious Liberty Commission to identify and combat the anti-Christian sentiment in our nation.

On May 17, 2026, many of our national leaders affirmed and officially declared our nation to be “one nation under God” – “a Christian nation” – as they publicly expressed their faith in Christ and the principles of right as foundational to our system of government. Mike Johnson, Speaker of the House, officially rededicated our nation to God as per the following link:

## **The Rise of America to Dominance in the World**

But I must also bring attention of my readers to how America is fulfilling another very important part of this prophecy – a part that is now taking shape with great drama. John says,

And he (the two-horned beast representing America) **exercises all the authority of the first beast** (the Papacy) in his presence, **and causes the earth and those who dwell in it to worship the first beast**, whose deadly wound was healed. Revelation 13:12.

At first glance, we might question how this part of the prophecy is being fulfilled. The answer lies in recognizing an assumption in the prophecy which necessarily **precedes the ability** of the two-horned beast to “**cause the earth**”, and “**exercise authority over the earth**” in the first place. Before America can “cause the earth...” and “exercise authority over the earth,” she must have significant power, authority, and prominence in the earth to make such demands upon its inhabitants! Does she now have that status in the world? As we follow the journey of America over the past few months, the import of the incredibly rapid progression of events which have been developing since November 5, 2024 when Donald Trump was elected as our president will become clear. Since Donald Trump was elected, he has with lightning speed been making America the most powerful, respected nation in the world. Very soon after the beginning of his second term, he began taking a strong hold of the reins of our nation, establishing an “America First” agenda and surround-

ing himself with people committed to the same objectives. America had been weak, liberal, and devoid of the respect of the world and its leaders. But as we trace the journey from the day of Trump's election to today, we discover that Donald Trump has emerged, not just as another elected president of the United States of America, but literally to a position of "Commander-in-Chief of the world." In the past few months, Donald Trump has gained a status and respect among world leaders previously unknown.

Some of the notable events along the way have been: the closing of our border and the deportation of illegal migrants; the crackdown on crime, terrorism, and fraud; a major leadership role in the fall of Hamas; the capture of Venezuelan President Maduro and his wife in a historic military operation; interaction with adversarial world leaders to effect an end to hostilities and foster peace in the world; and most recently the powerful and dramatic humbling of the terrorist nation of Iran, bringing them to their knees and to the table to sign a peace agreement designed to bring peace to the Middle East and ultimately to the world.

Today, June 14, 2026, Iran finally bowed to the strength and demands of America, making an agreement which, among other things, guarantees that Iran, "the world's greatest sponsor of terrorism" for the last 47 years, will never have a nuclear weapon. This agreement is to be officially signed on Friday and will certainly require policing to enforce. President Trump and his team of leaders persisted with both diplomacy and military force to bring Iran to her knees – another major step to peace in the Middle East and the world. President Trump intends to bring peace to the world. One of his mottos is, "Peace through strength".

Also today, the day the agreement with Iran was secured **and** President Trump's 80<sup>th</sup> birthday, Vladimir Putin (one of America's adversaries!) called President Trump to wish him a happy birthday – the first, if not the only, national leader to call Trump with such a greeting. Putin and Trump spoke for an hour on the phone about world affairs, and they plan to meet in person in the near future. The events of this day, June 14, 2026, only highlight the power and respect which characterizes America in the world – a notable checkpoint along the path to America's world dominance.

Today marked a progression in the fulfillment of prophecy, for **America must become the dominant nation of the world in order for John's prophecy of Revelation 13:12 to be fully consummated.** In order for America to have "the authority" to "tell those who dwell on the earth to make an image to the beast" (Revelation 13:12), to "cause as many as would not worship the image of the beast to be killed" (Revelation 13:15), and to "cause all to receive a mark (the mark of the beast) on their right hand or on their foreheads..." (Revelation 13:16), **America must achieve such a dominance of power in the world and have the authority to "call the shots" on a global scale.** That is happening right now! President Trump is at this very moment bringing the whole world under his controlling influence. Netanyahu is listening to Trump, Xi Jinping is listening to Trump, Putin is listening to Trump, Zelinski is listening to Trump, and Trump is this week shoring up support for his agenda at the G7 Summit. Soon, every national leader will be persuaded to comply with the policies and demands of President Trump as they relate to world governance. America, in principle, rules the affairs and movements of the world even

now. Soon, America is to fulfill its prophetic destiny of leading the world into a final religio-political alliance with Rome – the “first beast” of Revelation 13:12.

With diplomacy, economic strategy, and military strength, President Trump is bringing peace to a troubled world. **And** with strength and the assistance of his Cabinet, the House, the Senate, ICE and our law enforcement agencies, he is making our nation safe again. **He will accomplish both his national and global objectives**, so much so that the cry of “peace and safety” will soon be heard around the world – signaling an impending “sudden destruction from which none will escape.” 1 Thessalonians 5:3.

If ever there was a time for the followers of Christ to be studying the prophecies of the Bible and strengthening their faith in the One who saves – by grace alone, through faith alone, in Christ alone – it is now! Prophecy is rapidly being fulfilled. We live in the season of Christ’s return!

In Christ,

PC

Please avail yourselves of these relevant and important studies. Paul tells us, “And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. The night is far spent, the day is at hand....Put on the Lord Jesus Christ and make no provision for the flesh.” Romans 13:11- 14. This “time” is now!
