

## WHAT IS THE ABOMINATION OF DESOLATION?

The Abomination of Desolation is the embodiment of false religion and corrupt government **in a single power** that effectively opposes the conscience and worship of God's people, mandating/forcing instead, at the threat of death, the worship and the allegiance of the entire world to Antichrist. Corrupt religion (the "false prophet") in union with corrupt government in America (the "two-horned beast of Rev 13), become the Abomination of Desolation and the active agent in the war against the people of God during the Great Tribulation. It is this power that joins with Antichrist in persecuting the Church to the death – another front in the Battle of Armageddon! Interestingly enough, it's the "beast" and the "false prophet" (the two "beasts" of Revelation 13) that are thrown into the lake of fire when Jesus returns (Revelation 19:20). When we see the corrupt religious leaders of America unite with the corrupt government of America to embrace the authority of the Church of Rome and **mandate compliance** with the false doctrine of the Church of Rome and an **allegiance** to this conglomerate of religio-political power, then will be fulfilled the prophecy of Jesus and Daniel of the "abomination of desolation standing on holy ground" – the conscience, faith, and **worship** of the true followers of Christ.
