

# 2025 REVIEW & ANNUAL REPORT PRESENTATION

*Arise. Shine. Lead. Inspire.*

# OUR MISSION & VISION

## OUR MISSION

Our mission is to empower women and youth to arise, shine, lead, and inspire. The SHINE Initiative aims to nurture this empowerment through leadership training, mentorship, community support and faith. We create a safe environment for women and youth to develop, heal, explore, and uncover their inner light, while encouraging them to let that light shine brightly.

## OUR VISION

We envision a world where each person—irrespective of their age, background, circumstances, or status—can radiate confidence and authenticity within their sphere of influence. In this ideal world, individuals are bolstered by the support of others through mentorship, access to resources, recognition, and unwavering faith.

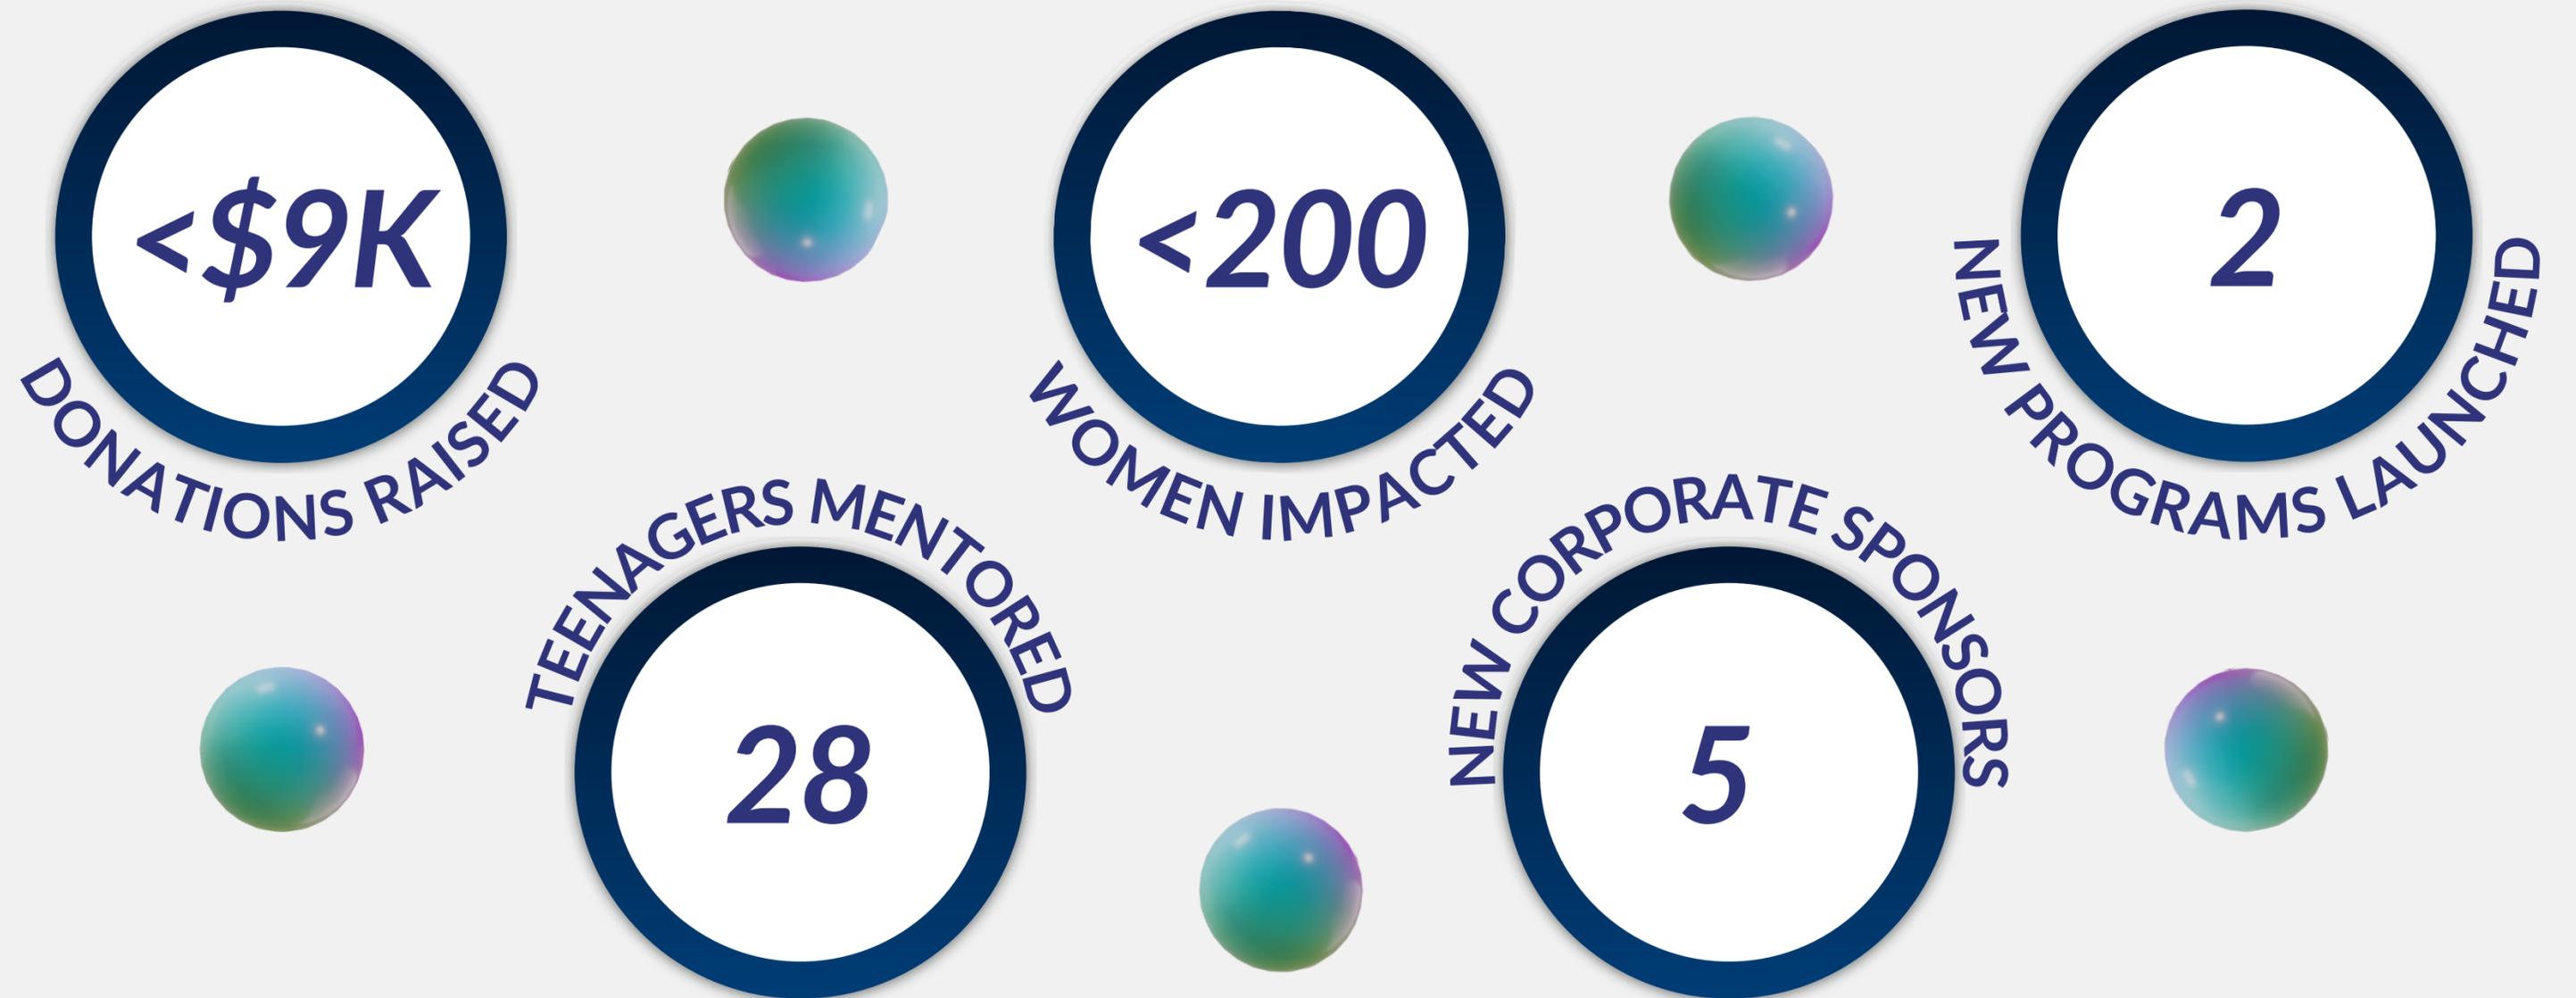

# MESSAGE FROM OUR FOUNDER

# 2025/2026: YEAR IN NUMBERS

# NOTEWORTHY STORY OF IMPACT

## MIN. JORDAN BENION

President, Young Adult Ministry  
Michigan District Baptist Association  
Associate Minister, Third New Hope Church

*“Transitioning to a new church in the middle of the pandemic was scary and a critical test of my faith. I encountered Minister Stinson and immediately declared her as my mother-in-ministry; a role she initially rejected.*

*In five years we’d come to grow in a strong son & motherly bond on a path of spiritual growth, discernment, and discipline. Among these five years I’ve found myself still under the pressure of decision-making, frustration, and a lack of self-confidence.*

*But I’m reminded how the Lord has kept his hand over me. When I can’t find the direction or confidence to even go to the altar; Tanesha has always guided me there. We had no prior connections until the day I stepped foot into that church.*

*She took me under her wings without any obligations or demands. I know the Lord has a great plan for me and Tanesha Stinson’s mentorship is apart of that plan.”*

# CHALLENGES & LESSONS LEARNED

*We adapted, we listened, and we grew stronger. Challenges may arise, but so does our determination to serve. Our community is more than numbers - it's the heartbeat of every success story.*

## Rising Demand

Mentorship, faith and community have been 3 key areas in which we are discovering the greatest need. There is a gap in connection between the “seasoned” and the “seeking”. Our plan is to help close the gap.

## Financial Uncertainties

Financial instability and unpredictable funding conditions have increased the difficulty of maintaining programs. This year, our priority is to engage with investors who are eager to support women and youth initiatives.

# OUR VISION FOR THE FUTURE

*In the coming year, we envision:*

- Expand Mentorship Program for Women
- Host 2026 Women Who Shine Luncheon
- Sponsorships & Funding For Programs
- Local Office Space

2023 Women Who Shine Award Recipients, Sandra Johnson and Tiffany Brown

# THANK YOU & CALL TO ACTION
