December 2020

Dear Friend,

Many thanks if you already contributed to LEF for 2020. If not, we hope you will consider a contribution before the year draws to a close.

Your contribution will be used to continue the education for students currently receiving LEF scholarships. For new students, the doors of a non-public school will open for deserving students with extreme financial need.

The maximum credit against your 2020 Arizona individual tax liability is **\$2,365 married couple or \$1,183 single**. Contributions during the period January 1, 2021 – April 15, 2021 qualify as a credit against either your 2020 or 2021 Arizona tax liability, as you may choose.

On behalf of Arizona’s children whose lives are being changed through contributions such as yours, our very sincere thanks!

Allen Nahrwold  
Chairperson

A school tuition organization cannot award, restrict or reserve scholarships solely on the basis of donor recommendation. A taxpayer may not claim a tax credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer’s own dependent. LEF has never permitted student recommendation. Scholarships are awarded to only those students with true financial needs, not to students recommended by donors.
